

# International Food Fest

The ISO will be hosting the 9<sup>th</sup> Annual International Food Fest on April 5, 2008. The Food Festival, one of the biggest events on campus, will be held in the main cafeteria of the Administration Building at IUSB. If you are interested in participating in the Food Fest in any way, please fill in the form below.

The food Fest is always an extremely popular event, and is visited not only by students, staff and faculty, but also by many members from the local community. The food Festival is held in the main cafeteria; where food from many countries is cooked and served by students; we usually have around 12-15 countries represented at this event. In addition, we have decorations and international entertainment.

**Right now we are looking for people who would be interested in participating in this exciting event. People who are interested could either provide a recipe, or help cook; help with entertainment or with preparation to get the event ready.**

You can keep up with information and updates regarding the food fest by emailing us at [iso@iusb.edu](mailto:iso@iusb.edu) .

We look forward to working with you!

**Please note: All food must be prepared in the IUSB Cafeteria under the supervision of a member of dining services. Under no circumstances can any food be prepared elsewhere.**
