## MINOR in FINANCE for Business Majors

Students who are pursuing a four-year degree may combine formal study in finance as they pursue a major in one of the functional areas. Students who elect this program must notify their advisor before the end of their junior year.

Requirements (12 credit hours):

- ♦ BUS-F301 Financial Management
- ♦ BUS-F302 Financial Decision Making
- ♦ BUS-F345 Money, Banking, and Capital Markets
- ♦ BUS-F420 Investment

Students must attain a minimum cumulative grade point average of 2.0 (C) in all four of the courses taken for the minor and not less than a C grade in each course. Please note that these courses may not be taken by correspondence study or independent study; they also may not be studied through an internship.
