SPRING 2007

**THE SUPPLY CHAIN
PROFESSION IS ADVANCING
AT AN INCREDIBLE PACE.**

Are You Keeping Up?

Customers in today's complex global marketplace expect high quality, low prices, fast turnaround, and on-time delivery. To successfully compete, organizations have improved supply chain management practices and as a result, well-trained, well-educated supply chain professionals are playing an increasingly important role in their organizations.

Is the APICS CSCP Right for you?

Are you an operations or supply chain management professional interested in increasing your knowledge of

- Supply chain design and strategy
- Demand management, planning, and logistics
- Technologies that enable the supply chain
- Global supply chain communications

The APICS CSCP designation will enable you to learn world-class supply chain management practices, improve your company's competitive position, and advance your career.

If so, we offer a course designed to help you prepare for the CSCP exam...

For more information on the certification and exam, visit www.apics.org/cscp.

TAKE YOUR SUPPLY CHAIN CAREER TO A NEW LEVEL

IU South Bend in partnership with the APICS Michiana Chapter is offering the 39-hour APICS CSCP Learning System exam review course to prepare you for success on the Certified Supply Chain Professional (CSCP) exam.

THE APICS CSCP LEARNING SYSTEM

The APICS CSCP Learning System is a comprehensive course based on the APICS CSCP body of knowledge. This comprehensive professional development and exam preparation program combines print materials with online components to deliver a customized learning experience. The learning system provides excellent preparation for professionals seeking the APICS Certified Supply Chain Professional designation.

The Learning System is divided into four modules:

- Module 1: Supply Chain Management Fundamentals
- Module 2: Building Competitive Operations, Planning, and Logistics
- Module 3: Managing Customer and Supplier Relationships
- Module 4: Using Information Technology to Enable Supply Chain Management

Convenient Classes for Professionals with Full Schedules!

A course fee of \$1595 includes APICS CSCP Learning System manuals, online software, instructor handouts, 39 hours of classroom instruction and one year APICS membership. Chapter members must provide membership number when registering to receive the reduced fee of \$1355.75.

Schedule: Watch for Fall 2007 dates.
