New for 2006!

Science Adventures and IU South Bend summer camps for children in grades 2 - 6. Two half-day camps, *Gizmo's Robot Factory* and *Physics Grand Prix* will be offered during both the morning and afternoon sessions of Mini-University. These highly interactive courses introduce students to thematic science concepts as they build projects, conduct experiments, and take part in a variety of science activities.

IU South Bend Extended Learning Services/Institute of Reading Development

EIGHT PROGRAM LEVELS

- R Four-year-olds and entering Kindergartners
- 1. Kindergartners
- 2. First Graders
- 3. Second Graders
- 4. Third and fourth graders
- 5. Fifth through seventh graders
- 6. Eighth through Tenth graders
- 7. Eleventh and Twelfth graders, college students and adults

*Reading Skills and Speed Reading
 Classes for Children and Adults*

Preschoolers will develop the reading readiness skills that make learning to read easy, enjoyable, and beneficial. Younger students will master basic phonics and develop a love of reading with increased fluency, vocabulary, and comprehension skills. Older students will double their reading speed while significantly improving comprehension and study habits. These programs are taught by professional instructors from the Institute of Reading Development. In more than 40 years, the Institute has served more than 40,000 students annually.

Classes are available in South Bend and Elkhart locations.

Tuition: \$299 plus materials fee.

For more information, or to register, call the Institute at (800) 979-8980.
