THIS ADVISING SHEET IS DESIGNED TO SUPPLEMENT INFORMATION FOUND IN THE IU SOUTH BEND BULLETIN. It details the specific requirements for SECONDARY EDUCATION CHEMISTRY SCIENCE MAJOR.

FINAL RESPONSIBILITY FOR FULFILLING PROGRAM REQUIREMENTS RESTS WITH THE STUDENT. IF GENERAL EDUCATION AND PROFESSIONAL EDUCATION HOURS DO NOT TOTAL THE MINIMUM 124 CREDITS REQUIRED FOR GRADUATION, ADDITIONAL ELECTIVES MAY BE NECESSARY. It is strongly advised that upon acceptance into the School of Education, students schedule an appointment with an advisor to clarify all program requirements and continue to meet regularly to discuss academic progress. Students should also meet with an advisor from their content major department/s.

Many courses have prerequisites--consult the University Bulletin for information.
