

Policy on Student Probation, Dismissal, and Readmission
College of Liberal Arts and Sciences

1. A CLAS student who has attempted 12 or more credit hours at IUSB will be placed on probation if the student's cumulative grade point average falls below 2.0. The student will remain on probation until the cumulative grade point average reaches at least 2.0.
2. If a student who is on probation fails to achieve a 2.0 grade point average in any regular fall or spring semester of enrollment, the student will be restricted to half-time enrollment for the following six months (i.e., no more than six credit hours during a regular fall or spring semester and no more than three credit hours during single or overlapping summer sessions). A student may appeal a credit hour restriction in writing to the Student Probation, Dismissal, and Readmission Committee.
3. A probationary student who fails for a second time to achieve a 2.0 grade point average in any one semester of enrollment will be subject to dismissal from the university for a period of at least one year at the discretion of the Student Probation, Dismissal, and Readmission Committee. Readmission of students who have been dismissed from IUSB will be subject to the approval of the Student Probation, Dismissal, and Readmission Committee.
4. Summer session enrollment by probationary students will be monitored by the Student Probation, Dismissal, and Readmission Committee to ensure adequate progress towards graduation.
5. Any student whose semester (fall, spring, or summer) grade point average is below 2.0 and whose cumulative grade point average is 2.5 or lower will receive a letter of warning from the Dean describing the CLAS policies on probation and discussing potential dismissal from IUSB.
