

**Assessment Evaluation Rubric Results 2008/09 based on [rubric developed in 2009](#)**

|  | Learning Outcomes | Tools and Processes | Benchmarks/<br>Performance Targets | Results and Analysis | Actions |
|--|-------------------|---------------------|------------------------------------|----------------------|---------|
| Computer Science                             | 7                 | 10                  | 6                                  | 10                   | 9       |
| Informatics                                  | 7                 | 10                  | 6                                  | 10                   | 9       |
| Applied Math and Computer Science - Graduate | 3                 | 3                   | 2                                  | 2                    | 2       |
| Mathematics – Undergraduate                  | 8                 | 7                   | 4                                  | 6                    | 8       |
| Economics                                    | 10                | 11                  | 9                                  | 10                   | 9       |
| Philosophy                                   | 7                 | 7                   | 3                                  | 7                    | 6       |
| Political Science                            | 11                | 10                  | 6                                  | 7                    | 10      |
| Visual Arts                                  | 9                 | 6                   | 9                                  | 7                    | 9       |
| Music  | 10                | 7                   | 6                                  | 5                    | 7       |
| Radiography                                  | 12                | 11                  | 12                                 | 12                   | 12      |
| Nursing Undergraduate                        | 9                 | 9                   | 11                                 | 8                    | 8       |
| Nursing - Graduate                           | 9                 | 7                   | 11                                 | 3                    | 6       |
| Dental Education                             | 11                | 10                  | 7                                  | 10                   | 10      |

Rubric key: 10-12 – Exceeds Requirements; 7-9- Meets Requirements; 4-6 – Partially Meets Requirements; 1-3 Does not Meet Requirements
