**Subject:** Summer 04 Research Grant

The IUSB research grant given to me for the summer of 2004 was put to productive use. The results are as follows:

Paper Presentation: "When a Not-for-Profit is Religious, First Amendment Issues May Complicate The Litigation", annual meeting of the North Atlantic Business Law Association, Boston.

## Articles:

"*An Uncertain Path*", AMERICA Vol. 191 No.3, August 2004. This article is my second national publication dealing with church-bankruptcy issues. The topic was in the news during the summer and, as a result of my expertise in the field, I was interviewed numerous times. A partial listing appears below.

"*Religious Entities & Laws of General Applicability, What is the Nature of their First Amendment Exemption?*" forthcoming in 37 BUSINESS LAW REVIEW 2004.
