

Intramural Sports Racquetball Singles Rules

Format

Participants play one game a week at the scheduled time. However, if you cannot play at your scheduled time, it is your responsibility to contact your opponent at least 24 hours in advance to reschedule. You must also contact Amy Henkelman at (574) 520-4594 or ahenkelm@iusb.edu to inform her of your new scheduled time.

The winner is to report the score on Amy Henkelman's office door. Please circle your name and put the scores behind.

Rules and Regulations

AARA rules (<http://www.math.rutgers.edu/~sontag/raquetball-rules.html>) govern racquetball matches except where modified by the intramural rules.

- A. Scoring: Each game is played to 15 points. The serving side scores when they serve an ace or wins a rally.
- B. If any disagreement occurs, it shall be mutually agreed upon to replay the point or situation. The intramural staff appreciates being informed of any unsportsmanlike conduct.

**Please see Intramural General Policies and Procedures for policies such as
eligibility, forfeits, conduct, and sportsmanship at:
<http://www.iusb.edu/~sbsac/shortrules/generalpolicies.pdf>.**

- A. Equipment – Players may furnish their own equipment. **We highly suggest that players wear protective eye glasses.** A limited number of racquets and balls are available for check out at the control desk with a faculty, staff, or student ID card.
- B. Rescheduling – During the regular season, if an individual cannot make the predetermined specified time, the match can be rescheduled using the following procedure **ONLY**. Not following this procedure results in a forfeit, making the individual ineligible for the tournament.

The individual who wants to reschedule must take it upon themselves to contact the opponent. Phone numbers and e-mail addresses are listed on the regular season schedules. Once a rescheduled time is agreed upon, one participant must contact Amy Henkelman at (574) 520-4594 or ahenkelm@iusb.edu.

Good luck to you!!! We hope you enjoy your participation.
