Office of Student Services Mission Statement

Student Services at IU South Bend provides innovative and interactive programs and services to foster the academic and personal growth of our students in collaboration with the university community and the Michiana region.

Office of the Associate Vice Chancellor

● 574-520-4273 ● www.iusb.edu/~stusvcs ●

● The office is part of an ongoing commitment to the quality of student life. Through a variety of programs and services that promote academic, social, and personal development, we seek to maximize the opportunities for student success and to enhance the overall educational experience.

Making the Academic Connection

● 574-520-4565 ● www.iusb.edu/~mce ●

● The programs offer support to underrepresented students, including tutoring, study skills, and referral to learning assistance resources; faculty and peer mentoring programs; personal counseling; and leadership development.

21st Century Scholars

● The program offers additional support for 21st Century Scholars in tutoring, mentoring, workshops and one-to-one encouragement.

● The Career Services Office helps students choose majors and find internships; offers job-search skills workshops, on-campus interviews, career and job fairs, and professional networking opportunities to both students and alumni.
