Subject: A564 Course Request

Raj,

Thank you for sending me your new course request for the Senate Curriculum Committee. I see that you've sent a New Course Request, but A564 is already a course "on the books", Corp Finance/Financial Analysis. Is this really a new course request (if so, it needs a new number and a rationale for a new course)? Is this a request for a change in the course description (if so, a form for course change request needs to be filled along with a rationale for why you want to change the course). In either event, our committee will also want to see a sample syllabus, or a better idea of what will be covered in the course and how it is different than those already available.

Thanks,
Gretchen
