New Course Request

Several Boxes: Undergraduate credit [✓] Graduate credit [✓]

1. School/Division: DENTAL EDUCATION/NHP
2. Academic Subject Code: DNYG
3. Course Number: 4444 (must be cleared with University Enrollment Services)
4. Instructor: J. Kline
5. Course Title: BACHELOR DEGREE CAPSTONE COURSE

Recommended Abbreviation (Optional) (Limited to 32 Characters including spaces)

6. First time this course is to be offered (Semester/Year): FALL 2008

7. Credit Hours: Fixed at 3 or Variable from ________ to ________

8. Is this course to be graded S-F (only)? Yes [✓] No

9. Is variable title approval being requested? Yes [✓] No

10. Course description (not to exceed 50 words) for Bulletin publication:

   THIS Capstone Course for the Bachelor of Science in DENTAL HYGIENE/BSOH. The course is intended to help dental hygiene students plan career strategies beyond the clinician-based oral health team model. Students will examine population needs as well as future trends in the dental and dental hygiene professions.

11. Lecture Contact Hours: Fixed at 45/SEM or Variable from ________ to ________

12. Non-Lecture Contact Hours: Fixed at NA or Variable from ________ to ________

13. Estimated enrollment: 10 of which 0 percent are expected to be graduate students.

14. Frequency of scheduling: 2X/YR

15. Justification for new course: CAPSTONE COURSE FOR NEW BSOH

16. Are the necessary reading materials currently available in the appropriate library? Yes [✓] No

17. Please append a complete outline of the proposed course, and indicate instructor (if known), textbooks, and other materials.

18. If this course overlaps with existing courses, please explain with which courses it overlaps and whether this overlap is necessary, desirable, or unimportant.

19. A copy of every new course proposal must be submitted to departments, schools, or divisions in which there may be overlap of the new course with existing courses or areas of strong concern, with instructions that they send comments directly to the originating Curriculum Committee. Please append a list of departments, schools, or divisions thus consulted.

Office: NS 240 and R 139

Course Description:
Capstone course for the Bachelor of Science in Dental Hygiene (BSDH). The course is intended to help dental hygiene students plan career strategies beyond the clinician-based oral health care provider model. Students will examine population needs as well as future trends in the dental and dental hygiene professions.

Course Objectives:
At the completion of the course, students will be able to:
1. Define their personality, interactive style, values, and career interests.
2. Describe global population and demographic trends related to oral health.
3. List and differentiate the five roles of the dental hygienist, based on the American Dental Hygienists' Association (ADHA) model.
4. Describe future trends and decisions that may advance the professions of dentistry and dental hygiene.
5. Reflect upon and describe experiences outside clinical roles, based on course reading, discussions, and interviews.

Course Requirements:
1. References
      Department of Health and Human Services
      [www.surgeongeneral.gov/library/oralhealth/default.htm](http://www.surgeongeneral.gov/library/oralhealth/default.htm)
   B. Focus on Advancing the Profession
      American Dental Hygienists' Association
      [www.adha.org](http://www.adha.org)
   C. Future of Dentistry
      American Dental Association
      [www.ada.org](http://www.ada.org)
   D. Selected readings assigned or provided by course instructor

2. Students will use Oncourse CL as the primary means of communication. The student’s IU South Bend email account will be used for course communications. See IT Home Page to have a personal email account forwarded to the iusb.edu account.

3. Assignments:
   A. Student will answer questions related to each of the following topics:
      i. Self assessment and test results
      ii. Oral Health in America
      iii. Future of Dentistry
      iv. Advancing the Profession
B. Careers
Write a one-page paper on each of the roles of the dental hygienist.
Include the following information:
i. define the career path
ii. educational requirements
iii. practice requirements
iv. employment opportunities

C. Develop and present questions for guest panelists and interviews outside of class.

3. Final Paper and Presentation:
Each student will complete a research paper in the career area of interest. For students interested in teaching careers, supervised clinical teaching experiences may be provided. Expected length will be a 5-page paper (12 font, double-spaced) summarizing the researched experience and career role. Students will post and share their experiences/papers with the class, and provide documentation from reliable sources when appropriate, using proper bibliographic format.

4. Course Evaluation:
Self-assessment tests and paper: 25% Due xx/xx/08 (personal statement) & xx/xx/08
Career Role short papers: 25% (5% each) Due xx/xx/08
Interviews and paper: 50%
(preparing questions 10%
participation 20%
reflection paper 20%) Due xx/xx/08
