EDUC P475 Classroom Management through Adolescent Development

Instructor: Meryl Domina

Mayfield Publishing Company.

Course description: Focuses on discipline approaches appropriate for middle and high school through an understanding of adolescents. Analysis of cognitive and moral development, puberty, environmental and cultural issues, family and peer relationships, identity formation, and social and personal problems. Provides tools to diagnose students’ behaviors and to establish positive learning climate.

Course Objectives:

Students will understand how to:
Create a climate for learning;
Diagnose student behavior;
Address misbehavior.

Students will gain techniques to:
Motivate students;
Set high expectations;
Defuse problem behavior;
Develop supportive relationships;
Teach pro-social skills and responsibility;

Students will be able to defend their discipline stance.
Students will be able to communicate with parents and other educators concerning discipline.
Course Outline:

Week 1: Overview of adolescent development and classroom management; Cognitive development

Week 2: Puberty & biology; Teacher beliefs on discipline, consistency, and effectiveness

Week 3: Identity: the adolescent task; Humanistic theories of behavior

Week 4: Societal issues affecting adolescents; Social discipline models

Week 5: Family and peer relationships; Importance of teacher/student relationships

Week 6: Class, ethnicity, and other cultural issues; Behavior based models of discipline

Week 7: Review and practice

Week 8: Moral development, decision making, and values as adolescent issues and classroom management

Week 9: Sexual issues; School wide and community involvement in discipline (values, sexual harassment and abuse, rape, teenage pregnancy, sex education issues)

Week 10: Understanding and working with youth from families with problems (Emotional issues, mental illness, eating disorders, faulty communication)

Week 11: Understanding and working with dysfunctional youth (Substance abuse, alienation, delinquency, cults, running away, suicide)

Week 12: Classroom management as a preventive process

Week 13: Wrap-up and summary
Standards addressed:

For Early Adolescence Generalist Teachers:

Standard 1: Young Adolescent Development
The early adolescence generalist understands the range of developmental characteristics of early adolescence within social, cultural, and societal contexts and uses this knowledge to facilitate student learning.

Standard 2: The early adolescence generalist demonstrates an understanding of the risk behaviors of young adolescents and the changes in family setting and society that affect their development by establishing a learning environment that promotes positive, productive, healthy development.

Standard 5: Middle School Instruction
The early adolescence generalist understands the breadth of instructional options available to the middle school teacher and the research base that underlies these options and employs a variety of instructional strategies which are developmentally appropriate for the varying learning abilities and styles of young adolescents.

Standard 6: Family Involvement
The early adolescence generalist has a thorough understanding of the role of the family in a student’s educational development and is able to use this knowledge to assist and support both young adolescents and their families in the young adolescent’s education.

Standard 7: Community Involvement
The early adolescence generalist understands the importance of the community in the education of the young adolescent and can work cooperatively with resource persons and community groups to promote student learning.

Standard 8: Teacher Roles
The early adolescence generalist understands and performs the complex role of the teacher of young adolescents within the context of young adolescent development, middle school curriculum, instruction, and school organization.

Standard 9: Collaborative Behavior
The early adolescence generalist understands the importance of collaboration with colleagues, families, resource persons, and community groups, and collaborates to improve schools for young adolescents.

For Teachers of Adolescence and Young Adulthood:

Standard 1: The Development of Adolescents and Young Adults
The teacher of adolescents and young adults understands the range of developmental characteristics of adolescence including interpersonal, cultural, and societal contexts and uses this knowledge to facilitate student learning.
Standard 2: Decision Making
The teacher of adolescents and young adults understands the challenges young adults face and provides them with the skills and opportunities to be reflective in making responsible decisions.

Standard 5: Instructional Strategies
The teacher of adolescents and young adults understands the teaching/learning research base and employs a variety of instructional strategies, resources, and technologies which advance the learner into high level thinking skills.

Standard 6: The Home-School Connection
The teacher of adolescents and young adults understands the impact of family structure and home life on educational development and uses this knowledge to facilitate and support the education of the young adult.

Standard 7: Community and Transition to the Future
The teacher of adolescents and young adults understands the importance of the community in the education of the young adult and works with resource persons and community groups to promote student learning and citizenship.
