Exceptional Education. Outstanding Value.
Students throughout the region and from around the world choose the Judd Leighton School of Business and Economics because they want value, without sacrificing the quality of their education.

And that’s exactly what a degree from the Leighton School offers its students.

- Undergraduates at the Leighton School perform in the top 10 percent of students at universities across the nation on standardized exams that measure what students learn.

- The Princeton Review has ranked us an “Outstanding Business School” for six consecutive years.

- The Leighton School is accredited by AACSB International, an achievement less than 10 percent of business schools worldwide are able to reach.

- The Leighton School is home to the 68th best part-time MBA program in the nation according to rankings by Bloomberg Businessweek.

The Judd Leighton School of Business and Economics is a leader in preparing students for challenging, high-level careers in business, regardless of their professional path.

When you choose the Leighton School, you can realize your dreams and pursue your career goals for affordable public university tuition.
“The Leighton School offers me an affordable IU education, and I don’t know any other university whose professors have such a generous ‘open door’ policy with their students.”

THE LEIGHTON SCHOOL EDGE

COMMITTED, CARING FACULTY

Leighton School faculty are not only outstanding scholars, but also exceptional teachers. Our talented faculty create an academic environment where students thrive in the classroom; and in turn, graduate exceptionally prepared to be leaders in their professions and organizations. In fact, many of our alumni are leaders in finance, marketing, banking, human resources and manufacturing in the area and across the country.
REAL-WORLD PRACTICE

Recognizing that the most effective education takes place when students are involved in their learning experiences, Leighton School faculty create opportunities for students to gain real-world experience and practical knowledge.

Our students participate in a variety of experiential learning opportunities during their tenure at the Judd Leighton School of Business and Economics. From client projects, to marketing competitions, to simulation labs, to internships in local businesses — these real-world applications give students a taste of doing business.

“My undergraduate experience as a Top Ten Finalist in a marketing competition for the American Honda Motor Company was a fantastic opportunity to gain experience and learn to tackle marketing challenges with no fears.”

Kelsi Clark, Leighton School alumna, marketing
Paul Marsh, President and CEO, Teachers Credit Union

“Smaller classes and the Leighton School’s dedicated professors, who really wanted me to succeed, paved the way for a world-class business education, which has been very instrumental in my career.”
