Campus Space Advisory Council

September 23, 2022
Agenda

1. Chancellor Elrod Welcome & Introductions
2. Review Committee Purpose
3. Master Plan
4. Current Facilities Projects Summary
5. Identify Challenges and Opportunities
6. Determine Future Meeting Dates
Introductions
Chancellor Elrod
Remarks
CSAC Purpose

- Serve as advisory council to the Chancellor
- Provide recommendations for facilities projects and prioritization
- Review campus space inventory and utilization
- Review proposals for major facilities renovations and relocations
- Provide input on facilities, grounds and campus space issues, communications and processes in accordance with the campus Master Plan and in coordination with IU Capital Planning and Facilities.

More detail found at the CSAC website:
https://www.iusb.edu/chancellor/campus-space-advisory-council.html
As a CSAC member, we ask that you:

- Be present and respectful
- Serve as a vehicle for two-way communication with your constituents
- Maintain an open mind, and collaborative spirit
- Evaluate projects and priorities from a holistic campus view, rather than just the interests of your department or school
Master Plan

- Developed in 2012
- Primary purpose is a “land plan”
- Provides a framework, but is also an evolving document
- View all IU campus master plans at: https://cpf.iu.edu/capital-projects/master-plans/index.html
Current Projects

1. Parkside – Health Sciences Simulation Lab
2. Bookstore Move
3. Innovation Center
4. Lighting and Sidewalk Improvements
5. Assessment of 1st Floor Admin Building

A facilities project wish list exists, and we will review at our next meeting
Challenges and Opportunities

• What are the biggest facilities challenges for your department/area?
• What resources are needed to address these challenges?
• Are there programs or initiatives that need additional or different space?

We want to identify potential opportunities to better utilize our space, rather than simply fix problems, and “put out fires”.

Please discuss with your constituents and bring back to CSAC in October
Future Meeting Dates

• Team will meet monthly
• Please make attendance a priority
THANK YOU!
