ABOUT REBUILDING TOGETHER

Rebuilding Together is a nonprofit, community-based partnership of volunteers that rehabilitates the homes of low-income homeowners and improve neighborhoods.

On two April Saturdays each year, approximately 1,000 skilled and unskilled volunteers join together to make repairs to about 18 homes in a selected St. Joseph County neighborhood. All repairs are completed at no cost to the homeowner. Visit www.rtsjc.org for more info.

VOLUNTEER INFO

*Any adult or group (age 16 and up) can volunteer to assist in rehabilitating homes.
(Under 18 require adult supervision.)
No particular home repair skills are required.
Volunteers should come ready to work on Community Volunteer Day from approximately 8:00 am until the home is completed mid-afternoon.
Rebuilding Together will provide all the tools and supplies needed and provide meals throughout the day.
