Resident assistants who accept the position understand that a single room in a two bedroom apartment is considered part of an RA's remuneration. RAs will be asked to sign and comply with the policies and procedures outlined in the *Housing and Residence Life Application and Contract* and *Resident Assistant Employment Agreement*. If an RA leaves the position mid-year, and spaces are available on campus, Housing and Residence Life will make every effort to find appropriate, on-campus housing for that individual. If no appropriate spaces are available, the RA may need to find other housing arrangements. Housing and Residence Life prefers not house an RA in their former area of responsibility (building/house), and prefers to move the RA to a different residence building/house.
