It's that time of year when offices and organizations start to prepare for seniors to move on, and all students begin to look for different leadership opportunities. All over campus, student groups and different departments want YOU to apply for their positions. While here in housing we have already extended offers for Resident Assistant positions, we still have some GREAT opportunities for you......

**National Residence Hall Honorary (NRHH)** - This group is a select group of the top 1% of student leaders in campus housing. The nomination form and more information can be found [here](#).

**Community Council/Residence Hall Association** - Community Council is going through a change to identify themselves as an RHA. Representatives from this group recently attended a conference, and they brought home the award for most spirited delegation. Get on board as we make some exciting moves with this group, we will be looking for some great leaders!

**Housing and Residence Life Desk Clerks** - In the near future, there will be applications for our Desk Clerk job for next school year. Come work with us and continue to develop your skills as a student leader!

**Orientation Leader** - Will you be around for the summer and do you enjoy helping other students learn about and navigate their first experience as an IU South Bend Student? Check out the Career Services Website for this great opportunity!

**Gateway Mentor** - Share your knowledge of IU South Bend as a Gateway Mentor. These applications are also available through the career services website. Of course, there are plenty of other opportunities on campus from student organizations to student positions available through departments such as financial aid, admissions, alumni, and more! Make the most of your time here at IU South Bend and take advantage of these leadership opportunities!

It’s a well-known fact amongst those in higher education that the more a student is engaged and involved in their campus community, the more likely they are to be successful. So what are you waiting for?!
You will not be charged for the replacement of light bulbs in university issued light fixtures or for the replacement of batteries in smoke detectors. For your continued safety, please report these issues to fixit@iusb.edu.

Eventually spring will arrive, which means it will be time for some spring cleaning....

... and you may want to check out a vacuum cleaner at the Community Building.

To do so, you simply need to present your Student ID to the front desk to borrow one for a few days.

Please let us know if you have any problems with the vacuums so we can have our facilities folks repair them when they are working improperly.

Thanks!

Don’t Forget to Sign Up!

If you are going to stay in housing during Spring Break, please be sure to sign up on one of the “Spring Break Stay” Forms that are located at the River Crossing Front Desk.

If you don’t sign up, your access card will be deactivated and you will not be able to enter your building during that time.

It only takes a minute, so don’t forget!

CONGRATULATIONS GOES OUT TO COMMUNITY COUNCIL

Your Community Council has done an OUTSTANDING job, and not just in the programming that you see. For those of you involved, you know that Community Council is in the process of becoming an Residence Hall Association and becoming affiliated with state, regional and national levels. In this process, a small group of Community Council representatives attended the Indiana Residence Hall Organizations Conference this past weekend in order to learn what other institutions are doing, and to see what their next steps are in continuing to develop the organization. While there was a lot of work done at this conference, and a lot of connections made, the group also had plenty of fun showing their IU South Bend spirit, and their excitement for being at IRHOC! They were so excited, and had so much spirit, that these students were awarded the Most Spirited Delegation Award- something not very typical for a group who has only known about RHA for about five months and this was their first conference experience.

The staff of Housing and Residence Life would like to CONGRATULATE and extend our deepest appreciation for Katie Roberts, Kara Bogoslawski, Bronson Bontrager, Mak Raynor, and Brittany Marvel who took time from their schedule to learn, cheer, and lead IU South Bend Community Council (soon to be RHA) to its first conference award. We can't thank you all enough. Come to the next Community Council Meeting to hear more! Tuesday, March 4 at 7pm in the Community Building!

Facilities would like you to know...

You will not be charged for the replacement of light bulbs in university issued light fixtures or for the replacement of batteries in smoke detectors. For your continued safety, please report these issues to fixit@iusb.edu.
