Move-in Day is Just Around the Corner...

August 23rd is move-in day at River Crossing!

We are very excited to meet all of the new residents and welcome back the returners.

You will be receiving your Housing Placement Notification by email on Friday, August 2nd. This email will give you your room assignment, your roommates' names and email addresses, and move-in day instructions. Please make sure to check your IUSB email for this important information.

Whether you are new or returning, if you have questions about housing for next year, be sure to write us at living@iusb.edu.

We look forward to getting to know you this year!

Did you know…?

...the Community Building is also affectionately known as "The Lodge."
Is this your first time moving into River Crossing? Here's what to expect on Move-in Day:

Check in at the Community Building (in the center of the housing complex) on Friday, August 23rd, Saturday, August 24th, or Sunday, August 25th between 9 a.m. and 9 p.m.

While there, you will fill out a few forms and pick up your keys. You will receive the HRL Calendar which has important dates to remember throughout the year. You will meet your RA and have the opportunity to learn about clubs, learning communities and events.

A few tips:

- **Important:** Please be sure to have your University ID with you during check-in. It will serve as your access key to enter your house. You can get your ID from the friendly folks at the Information Gateway in the Administration Building.

- We have minimal hand carts for moving. If you have one and need one, it is a good idea to bring it along.

- If you would like to have your mail delivered to you at River Crossing, pick up a key at the front desk, ask for your mailbox number, and have the USPS forward it to the following address:

  Your Name  
  1735 Titan Dr. #_____  
  South Bend, IN 46614

Get to Know your Roommates

When you receive your room assignment email, take the opportunity to email your roommates to get to know them and to determine who will be bringing what to your shared spaces. Your kitchen will only need one toaster, after all.
