Welcome to the RCC! This is an electronic publication of Housing and Residence Life at IU South Bend, providing all on-campus residents with brief information on HRL services, policies, and promotions. The eNewsletter is emailed to current residents monthly.

Move-in Day is Almost Here...

Things are a little different this year at River Crossing. We’re excited to announced that for the first time, freshmen will be moving in two days earlier, on Wednesday, August 20th, so that they can get settled in and become familiar with campus a few days before classes begin.

We are very excited to meet all of the new residents on that day and welcome back the returners and upperclassmen who will be moving in on Friday, August 22nd.

You will be receiving your Housing Placement Notification by email on Friday, August 1st. This email will give you your room assignment, your roommates’ names and email addresses, and move-in day instructions. Please make sure to check your IUSB email for this important information.

Whether you are new or returning, if you have questions about housing for next year, be sure to write us at living@iusb.edu.

We look forward to getting to know you this year!

Did you know…?

...that the ground where River Crossing now stands used to be a race track? This is a photo of the track in 1916.
What to Expect on Move-in Day…

Is this your first time moving into River Crossing? Here’s what to expect on Move-in Day:

Check in at the Community Building (in the center of the housing complex) between 9 a.m. and 9 p.m.

While there, you will fill out a few forms and pick up your keys. You will meet your RA and have the opportunity to learn about clubs, learning communities and events.

A few tips:

- **Important:** Please be sure to have your University ID with you during check-in. It will serve as your access key to enter your house. You can get your ID from the friendly folks at the Information Gateway in the Administration Building.

- We have minimal hand carts for moving. If you have one and need one, it is a good idea to bring it along.

- Check out our list of What to Bring and What to Leave at home before you pack

- Check our Facebook page for an updated list of activities and events

Parking on Move-In Day:

Move-In Day is one of the busiest days on our campus, so please respect University parking regulations to make the process move smoothly for everyone. University Police and Parking Service will be onsite to supervise and direct vehicles as students move into the houses. University Police reserves the right to tow any vehicle in violation of parking regulations. In addition, if you are parking on the sidewalk in front of or near a house, please be do not drive on the grass.

Get to Know your Roommates

When you receive your room assignment email, take the opportunity to email your roommates to get to know them and to determine who will be bringing what to your shared spaces, as your suite will only need two shower curtains, two bathroom rugs, and one toaster, etc.
