Welcome to the RCC! This is an electronic publication of Housing and Residence Life at IU South Bend, providing all on-campus residents with brief information on HRL services, policies, and promotions. The e-newsletter is emailed to current residents monthly.

Fall is here!
We’re already at the half-way point of the semester and a lot of us are feeling it with midterms and projects and all of the other responsibilities college life heaps on us. It’s easy to feel the temptation to slack off now but remember that nothing worth having comes easy so keep up the hard work!

I hope you have had a chance to get to know lots of people in your building, around housing, and throughout campus. If you have not already done so, please make it a point to attend one of the many events that will be held this month. I think you’ll be surprised at how much fun you can have getting to know the amazing group of people we have living on campus this year.

Best of luck with midterms, the rest of this month, and take some time to enjoy yourself.

~Shaune, HRL Staff
