### French (FREN)

**FREN-F 102 ELEMENTARY FRENCH 2 (3 CR)**

Students who have prior foreign language training (including native speakers) and those who have studied the language in high school should take the IUSB foreign language placement examination before registering for their first IUSB course in that language. Students who have completed one or more college courses in that language may register directly for the next course in that language.

It is recommended that only students with a grade of C- or better register for the next course in a sequence.

All students in foreign language classes may be required to spend up to one hour per week in the language resource center, in addition to attending class.

This class is part of the “Transfer Indiana” (TransferIN) initiative. For additional information, link to: [http://www.transferIN.net](http://www.transferIN.net)
