1. Description of grant-supported activity.

In this grant, I requested support for two months during the summer of 2015. The grant provided me the time necessary to complete the study and make it ready for journal submission. The specific activities that I did are:
- Data cleansing
- Data Analysis.
- Writing and editing the manuscript.

2. Were you able to complete the project? Describe any difficulty you had.

Yes, I was able to complete the project successfully. I am in the last stage of editing the manuscript and getting it ready for journal submission.

3. Did, or will, the project result in a specific product -- a manuscript, composition, syllabus, etc? If so, please describe and indicate state of development.

I will be submitting a manuscript within this year to the Information Management and Computer Security which is a reputable journal in the Information Security field.
