July 1, 2021

Dear Campus Colleagues,

I am pleased to present the 2021-22 Special Events Manual for Indiana University South Bend. This document is the result of the hard work of Special Events Coordinator Maureen Muldoon and the Campus Events Committee. The handbook outlines specific guidelines and policies required for scheduling and presenting a high quality event on campus. This manual includes legal issues, safety guidelines, and other instructions for event planning. I ask you to pay special attention to the updates for Programs Involving Children (PIC) and Campus Emergency Procedure Guidelines. IU South Bend must be diligent in understanding and following these procedures to keep the campus safe for all.

Special events are a wonderful opportunity to showcase the facilities, faculty and students at IU South Bend. The Special Events Office provides a one-stop event planning service for both on-campus and community organizations. Please take advantage of the professionalism and expertise of that office in order to have a successful event. I look forward to seeing all of you at one of the many exciting events held on campus each year.

Sincerely,

Susan Elrod
Chancellor

SECTION 1
HOW TO PLAN CAMPUS EVENTS

**Contact the Special Events Office**
The Special Events Office will collaborate with other on-campus departments to ensure events are of the highest quality.

**Estimate Attendance**
Consider the estimated attendance at your event in relation to the room you request. Each room has a maximum occupancy capacity that cannot be exceeded. You are encouraged to use tickets or to check off preregistered guests at the door so you do not exceed room capacity. Tickets for all non-sporting events must be handled by the Raclin School of the Arts Box Office. (Appendix B) *It is a violation of Fire Code 1004.7 to add chairs or to stand in any room with fixed seating. Doing so endangers attendees and puts your event at risk of being cancelled immediately without being rescheduled.*

**Speaking Request Form for Chancellor Susan Elrod**
https://iusb.edu/chancellor/request-the-chancellor-for-speaking-engagements.html

**Determine your funding source(s)**
Where will funding come from to pay for catering, floral arrangements and/or decorations, and honorariums, etc.?

**Catering Needs**
Contact Sodexo to discuss your menu and order your catering. *Sodexo has an exclusive contract to provide all food and beverage catering service on campus.* *Homemade food is not allowed at events on- or off-campus.* Food or beverage from another caterer, restaurant or grocery store is not allowed unless specifically exempted by the Sodexo Manager. *If the Sodexo Manager exempts your event, food MUST be purchased from an IU approved vendor.* Menus and ordering information can be found at www.iusb.catertrax.com on the Sodexo website.

**Honorariums and Payments**
Contact Purchasing and Contracts or Accounting Services for assistance at least four (4) weeks prior to your event.

Invitation lists are generated by the sponsoring department. Invitations to public events can be designed for the sponsoring department through the Office of Communications and Marketing (OCM). Production requests must be submitted in a timely fashion and the customer pays for all printing costs. OCM will review all invitations prior to printing to maintain a level of quality on the campus.

Vendor or commercial activities must apply for and be approved by the Special Events Office to rent space on the university campus. A Facilities License Agreement must be signed.

The Special Events Office will work with outside individuals or groups to handle requests in a way that does not impede or obstruct the mission of educating IU South Bend students, or conflict with previously scheduled campus activities or events. Visitors must agree to be respectful of the campus community and will not pressure those walking by to listen to a message or take literature.

- Amplification is not permitted
- All equipment must be approved
- A Release of Liability is required
- A Certificate of Liability Insurance with wording specific to IU South Bend may be required

- If this involves a table request, at least one club member must be at the table with the community member at all times. The group is restricted to the space immediately surrounding the table and cannot block egress in hallways or entryways.
- If this involves an event, club members must be involved with the planning and must be in attendance.

Visitors may rent space (table or room) through the Special Events Office:
- Table rental is $100 per day, or any portion of a day, for one (1) six-foot table and two (2) chairs. Tables are allowed in specific locations of Wiekamp Hall, the Student Activities Center and the Elkhart Center.

Visitors who do not have a campus sponsor and do not contact the Special Events Office to make arrangements ahead of time will be directed to the Free Speech Area on campus. **GREEN TIP TO CONSIDER:** Communicate waste reduction and anti-litter goals to vendors and participants prior to the event. Place recycling containers for optimal use.
SECTION 5
SCHEDULING A UNIVERSITY-SPONSORED EVENT

A university-sponsored event is one which has direct educational value for students, faculty and/or staff. It is promoted by a campus department that takes full responsibility for the success of the event as part of its curriculum and mission. Attendance at the event by representatives(s) of the sponsoring department is essential to its function. The sponsoring department plays a deciding role in all phases of planning, participation, content and follow-up for the event.

- **You are a university sponsor** if your department, program, or registered student club is directly involved with the planning and execution of the event, and has a university representative (faculty/staff/club member) attend the event. The event will be considered part of the overall educational mission of the university and no rental, service, or parking fees will be applied unless events requiring campus services are outside of normal business operations. These may require a fee to cover associated costs. The Special Events Office may ask for a second approval from the vice chancellor level if the event’s relationship to the university is unclear. IU South Bend reserves the right to decline an event.

- **You are not a university sponsor** if any of the above criteria are not met. A community business or organization that wishes to meet on campus must contact the Special Events Coordinator to discuss availability and rental fees.

- University properties shall be used only in accordance with federal, state and local laws and shall not be used for the purpose of organizing or carrying out any unlawful activity.

- University facilities are provided primarily for the support of the educational functions of the university and the activities necessary for the support of these functions. University functions generally take precedence over any other activities in the use of university facilities. See Use or Rental of the Student Activities Center in Section 6.

  IU South Bend reserves the right to change the meeting or conference room reservation depending upon university requirements.

- **Event Planning Checklist**: The Event Planning Checklist (Appendix D) must be submitted to the Special Events Office by the student club or organization sponsoring the event at least twenty-one (21) days in advance. This form must include a faculty advisor signature. The faculty advisor will be held responsible for the terms and conditions of the event. Your event is not approved until the form is processed and the requestor, advisor/department representative, IU Police Department and Director of Student Life (if applicable) are notified by e-mail. **Departments must also submit the Event Planning Checklist to the Special Events Office for event approval.**

- **Literature, “Drives” and Fundraising Tables**: IU South Bend approved groups/organizations requesting tables for literature, “drives” or fundraising must contact the Special Events Office for permission. Approval will be granted for two (2) weeks at a time depending upon the timeliness of the request, and the number of other requests submitted for the same time period. The Special Events Office will submit a work order for the approved request. Tables must be cleared of literature each evening or literature will be disposed of by custodial staff. In order to maximize your contact with students and minimize facility disruption, you must remain at your table. Do not stand near doors to solicit. If an individual refuses your offer of literature, you must respect their decision to decline your information.

- **Literature table requests for the Community Center** can be forwarded to the Office of Housing and Residence Life. Staff will confirm the reservation and determine the location of the table. University groups are responsible for same day setup and takedown of all material.

  Work orders for all campus events are to be placed through the Special Events Office to ensure coordination of space and resources.
SECTION 6
SCHEDULING A NON-UNIVERSITY EVENT

A non-university event is one where the primary contact is not a university employee, or the university employee is involved in the event outside his/her assigned university function. Non-university events will be charged according to the Special Events Manual.

The university permits rental of its facilities and services to non-university users engaged in legal activities. Applicable rental fees will apply to all non-university sponsored events. A Room Reservation and Rental Information Guide is included in this manual. (Appendix I)

Contact the Special Events Office at (574) 520-5111 to check meeting space availability.

IU South Bend employees using the space for non-university related events will be treated as an outside user. Requests for the use of university facilities by IU South Bend employees will be evaluated based on the Special Events Manual to determine appropriate charges.

IU South Bend reserves the right to decline an event.

A Facilities License Agreement will be initiated upon reservation. The agreement must be signed by a representative of the organization who has signature authority to assume full responsibility for the meeting or event as well as payment of any and all charges associated with the event. Overflow space will be charged at the applicable rate for additional space. Rental is confirmed upon return of the fully executed agreement by IU South Bend to lessee. IU South Bend reserves the right to change the meeting or conference room reservation depending upon university requirements.

- A nonrefundable deposit may be required. Balance due is payable upon receipt of final invoice.
- An additional deposit may be required for some room alterations, or if outside equipment or supply rentals are needed for an event.
- Customers who charge an admission fee or sell tickets to an event must communicate this to the Special Events Office when requesting space.
- All events must conclude no later than 12:00 a.m.
- Events in the Student Activities Center (SAC) must begin and end in compliance with SAC operating hours or additional fees will be charged.
- Off-campus groups requesting rental of university facilities for advocacy, political or religious activities are required to include the following statement in all publicity. “This event does not reflect an opinion or endorsement by IU South Bend.”
- IU South Bend reserves the right, at its sole discretion, to enter the facility during the event to assure appropriate use and security of facilities.

SECTION 8
AUDIOVISUAL/TECHNOLOGY SUPPORT

SCHEDULING A UNIVERSITY-SPONSORED EVENT

Prior to recording a presentation, University Information Technology Services (UITS) must have a signed release form that grants Indiana University permission to record. This form is not necessary for anyone employed by Indiana University. (Appendix E)

UITS will provide audiovisual staffing and equipment only for events in campus spaces with permanently installed audiovisual equipment during regular business hours (8:00 a.m. – 6:00 p.m. Monday – Friday. Events held outside normal business hours are subject to review and staffing availability and charges. Events held in the Campus Auditorium or the Louise E. Addicott and Yatish J. Joshi Performance Hall are staffed by the Raclin School of the Arts.

Requests for audiovisual equipment for events other than scheduled academic classes are requested through the Special Events Office. If audiovisual equipment is requested in campus spaces without permanently installed audiovisual equipment, or that is beyond the scope of the UITS installed equipment, UITS can provide assistance in locating an outside vendor. All further arrangements and charges will be the responsibility of the requester.

It is the responsibility of the university sponsor to ensure that university audiovisual and technology equipment is used in accordance with laws related to the display of motion pictures and/or other copyrighted material. In most cases this requires the university sponsor to receive written permission from the copyright holder for public display of their motion picture. (Section 19)

SCHEDULING A NON-UNIVERSITY EVENT

Prior to recording a presentation, UITS must have a signed release form that grants to Indiana University permission to record. (Appendix E)

All non-university customers needing audiovisual and technology equipment must make the initial request with the Special Events Office.

The availability of equipment and staffing must be confirmed before the Facilities License Agreement is approved and signed with the customer.

UITS will provide audiovisual staffing for routine needs during regularly scheduled business hours (8:00 a.m. – 6:00 p.m. Monday – Friday) contingent upon the availability of staff.

UITS must be notified at least four (4) weeks in advance for events that require a special setup.

Non-university groups will be charged an equipment fee. (Appendix J) UITS must be notified of a cancellation at least twenty-four (24) hours in advance of the event to avoid a charge for the equipment.

UITS may generate a checklist for equipment rental based on information provided by the Special Events Office. The checklist must be signed by the requestor and returned to UITS for confirmation. UITS may contact the customer to confirm and/or discuss the request.

University equipment may not be used in a manner that is not in accordance with laws related to the display of motion pictures and/or other copyrighted material. In most cases this requires the university sponsor to receive written permission from the copyright holder for public display of their motion picture. (Section 19)

Changes in audiovisual or technology services made after the contract is signed will be billed separately to customer.
**UIT Services Support for the Elkhart Center**

Sodexo has an exclusive contract to provide all catering and food and beverage service on campus. 

Additional food service precautions may be added during the 2020-2021 academic year due to COVID-19.

- **Place your catering order online or by phone:** The catering menu and online form are available at [www.iusb.catertrax.com](http://www.iusb.catertrax.com) or you can contact Sodexo directly at (574) 520-4193. Food or beverage from another caterer, restaurant, grocery store or vendor is not allowed unless specifically exempted by the Sodexo Manager.

- Orders must be received by Sodexo between 8:00 a.m. and 5:00 p.m. seven (7) business days prior to your event. This does not include weekends or holidays. **Catering orders placed outside this time cannot be guaranteed.**

- **Final guest count:** Must be given five (5) business days (not including weekends or holidays) prior to the event, **Changes** to the number of attendees after the final count has been given will be accepted at the discretion of the Sodexo Manager. There may be an additional charge for events under ten (10) people. **Cancellations** must be made five (5) business days prior to your event, or your catering may be subject to a 35% cancellation fee.

- **Delivery:** Customers are asked to sign the Catering Request Form upon delivery of catering. By signing the form the customer confirms the order is complete and correct. **Catering is not allowed in the Campus Auditorium, Performance Hall, DW 1001 or EA 1011.**

- **After-hours and delivery charges:** An after-hours charge of $30 is charged on all caterings delivered after 5:00 p.m. Monday - Friday. A service charge of $30 with a weekend fee of $50 is charged on all off-site caterings including the Elkhart Center and Civil Rights Heritage Center.

- **Pick-up Charge:** There is a $30 fee for Sodexo staff to return to an off-site location to pick up a catering. If you pay for an attendant to staff your event, there is no additional charge for pick-up.

- **Hospitality Request Form:** A Hospitality Request Form is required for all caterings paying with university or IU Foundation funds. The form must be completed and forwarded to Accounting Services at least fourteen (14) days prior to the event. See Appendix G for a link to the form and list of frequently asked questions.

- **Payment:** The final catering cost is on the Banquet Event Order which is e-mailed to the person placing the order. Campus departments can only charge to IU Foundation or campus accounts for which they have signature authority, or have received permission from the fiscal officer.

- **Additional charges:** **No food, utensils or equipment are to be removed from a catering event by the customer.** A fee will be charged for missing items. Due to safety and sanitation guidelines, any left-over catering cannot be removed by the customer without the permission of Sodexo.

- **Linens:** Linens are included for the buffet tables when required. Additional linens are charged at $5.00 each.

- **Requests to use the kitchen for cooking for a special event:** This is a special request and must be submitted to the Sodexo Manager. Due to safety and sanitation guidelines, the Sodexo Manager has the final decision regarding approval and cost of the event. An account number must be provided to begin the process. Food must be purchased through Sodexo. A list of recipes, ingredients, and supplies must be submitted no less than thirty (30) days prior to the event. Participants are responsible for preparation, cooking and cleanup. The Sodexo Manager may add a labor charge depending upon the event.

- **Bake Sales and/or Homemade Food:** Club or department bake sales are not allowed either on- or off-campus. Homemade food is not allowed at events on- or off-campus.

- **Using Off-Campus Event Space:** If you rent an off-campus facility that mandates use of their own caterer, you can use their caterer. If they do not mandate it, you must get an exemption from the Sodexo Manager to use another caterer if the event is within a 50-mile radius of campus. IU cannot reimburse or pay an outside vendor without the Sodexo exemption.
• **EXCEPTIONS**
  A one-time exemption may be granted on the rare occasion that the Sodexo Manager decides that an approved, outside vendor must be used. A *Catering Exemption Form* indicating which approved caterer will be used must be completed and submitted to the Sodexo Manager for approval and signature. Once approved, a *Hospitality Request Form* must be submitted to Accounting Services. The organizer will follow all required procedures, and understands that failure to follow the required steps will result in refusal by the campus to pay for the event from IU or IU Foundation funds. The cost then becomes the responsibility of the organizer.

**Automatic Exemptions** are granted by meeting the requirements listed below. An exemption from the Sodexo Manager is waived in these specific instances. This does not exempt you from any current IU South Bend event accounting requirements or policies. These exemptions do not allow food to be purchased with an IU Procurement Card (P-Card). A *Hospitality Request Form* is required.

*Only Coke products are allowed on campus due to the standing contract with Coke and IU South Bend. If you purchase outside food, you must purchase Coke products – which includes Dasani water – for your beverage needs.*

- **Clubs, departments and organizations** may now carry in cold breakfast items for events occurring prior to 9:00 a.m. without a Sodexo exemption, as long as the items are purchased from *approved vendors* and the total bill does not exceed $100. Anything above $100 needs to follow the usual procedure for ordering from Sodexo.

- **Clubs, departments and organizations** may purchase prepackaged snacks (i.e. chips, Coke products, Little Debbie snacks, candy, etc.) without a Sodexo exemption, as long as the items are purchased from an *approved vendor* and the total bill does not exceed $150.

- **Clubs, departments and organizations** may use Papa John’s to order pizza (*but not beverages*) after 5:00 p.m. without a Sodexo exemption, as long as the total cost does not exceed $150.

- **Clubs, departments and organizations** may purchase prepared sandwiches, deli trays or pre-packaged desserts from an *approved vendor* for an event occurring after 5:00 p.m. without a Sodexo exemption, as long as the total cost does not exceed $150.

- Martin’s Supermarket
- Papa John’s Pizza
- Panera (4310 N. Main Street, Mishawaka ONLY)

*All Panera orders MUST be placed through Susie Bendy (4314) as they are the only authorized purchaser for IU South Bend. You must contact her in advance with your order. IU South Bend is not set up with an “in-store charge”.*

*The automatic exemption, within the policy limits, still applies if you make a purchase and are requesting after-the-fact reimbursement.*

*Only Coke products are allowed on campus due to the standing contract with Coke and IU South Bend. Bottled water MUST be Dasani.*

**GREEN TIP TO CONSIDER:** Ask about menu items that use locally sourced in-season foods. Ask if there is an alternative to plastic and disposable items. These changes could increase the cost of your catering.
The Special Events Office has the right of approval for all decorations and equipment.

- **Helium-filled balloons:**
  - Only allowed in the Student Activities Center meeting rooms.
  - Not allowed in the University Grill.

**SECTION 16**

**POLITICAL EVENTS GUIDELINES**

As a state-supported public university with a tax-exempt status under sections 115 and 501 (c)(3) of the United States Internal Revenue Code, Indiana University may not participate or intervene in any political campaign and must prevent its resources from being used in any way that could appear to support a political campaign. University trademarks may not be used by candidates for elected office or by IU community members in a way that would create the appearance of Indiana University support for a particular candidate or political party.

To help ensure that Indiana University's tax-exempt status is protected and that we remain in compliance with our legal obligations, please review the *Guidelines for Political Campaign Invitations, Events, and Activities.* [https://gov.iu.edu/policies/GuidelinesforPoliticalCampaignInvitations.pdf](https://gov.iu.edu/policies/GuidelinesforPoliticalCampaignInvitations.pdf)

Community members requesting space on IU South Bend’s campus to distribute political information on candidates, have petitions to sign, etc. for a political candidate have three options:

1. **Use the public sidewalks that border campus:** (Interior sidewalks are restricted to students, faculty and staff.)
   - Mishawaka Avenue
   - 20th Street
   - Northside Boulevard
   - Hildreth Street
   - Ruskin Street
   - Franklin and Marion Streets on the Elkhart Campus

   No additional action is required.

2. **Affiliate with a registered student club or a campus department:**
   A registered student club or campus department must co-sponsor the request and be a planning member of the activity.
   - If this involves a table request, at least one club member must be at the table with the community members at all times. The group is restricted to the space immediately surrounding the table and cannot block egress in hallways or entryways.
   - If this involves an event, club members must be involved with the planning and must be in attendance.
   - A student organization may conduct a single-candidate or single-party event, but may only do so for events closed to the general public and paid for with money from student fees (rather than other university funds). Events open to the general public should be co-sponsored by a campus department or unit and should include all eligible candidates actively running for the same position.
   - Campus departments and units must avoid the appearance of supporting a specific candidate. When inviting a candidate to campus, the sponsoring department must offer an equal opportunity for all legal candidates actively running for that same position to appear.

3. **Rent space (table or room) through the Special Events Office:**
   - Table rental is $100 per day, or any portion of a day, for one (1) six-foot table and two (2) chairs. Tables are allowed in specific locations of Wiekamp Hall, the Student Activities Center and the Elkhart Center.
   - Room rental depends upon availability. Additional fees for audiovisual, custodial, parking, etc. may apply. A Facilities License Agreement must be signed and valid Certificate of Liability Insurance naming the Trustees of Indiana University, its officers, agents and employees as an additional insured for the event with an endorsement filed with Indiana University.
SECTION 17
POSTING POLICY

As a university that is open to expression of various viewpoints, IU South Bend encourages intra-campus posting of information in the interest of enhancing student and campus life and expanding opportunities for learning and cultural enrichment. IU policy does not allow outside organizations to post unless sponsored by a university office, department or student club.

All materials posted on the campus must be submitted to the Gateway Information Center (main lobby of the Administration Building) for approval by Gateway Information Center personnel. To post at the Elkhart Center see the Administrative Coordinator. The Director of the Gateway Information Center may withhold approval for any poster in violation of this policy. The decision of the director may be appealed to the Associate Vice Chancellor for Student Services.

All postings must be in approved spaces as designated below. Postings shall not promote smoking or the use of alcohol or illegal drugs. The club, organization or university department is responsible for printing and duplication costs or the distribution of postings.

Do not affix anything to painted surfaces, windows or door glass. Painting or defacing university property is prohibited. The user shall be liable for any and all damage to university property arising out of or connected to user’s event(s).

POSTING AREAS

- Campus postings will only be allowed in designated areas as described in this policy.
- Table tents or other handouts are not permitted on dining tables in the University Grill or SubConnection.
- Postings are not allowed in restrooms.

Bulletin boards and posting areas are defined for use as follows:

- **Bulletin Boards – Open Posting Area**
  An open posting area is available for approved posting by anyone but still requires the Gateway Information Center approval stamp.

- **Bulletin Boards – Designated**
  Bulletin boards identified as designated are only available for postings by that designated university campus group, organization, university department, students, faculty and staff to whom they have been designated. Permission must be obtained to post on a designated bulletin board.

- **Bulletin Boards – Restricted**
  Bulletin boards identified as restricted are under the jurisdiction of a school, department, residence life buildings, or administrative office and are restricted to their use only. University campus groups, organizations and university departments may request permission from the appropriate school, department, or administrative official to use these bulletin boards.

POSTINGS

For the purposes of this policy, the terms posting, posters and flyers shall include, but are not limited to, billboards, notices, flyers, placards, posters, banners, leaflets, handouts, and hand-held signs.

**Postings must follow these guidelines:**

- The name of the sponsoring university department or student organization must appear prominently on all flyers and advertisements. If co-sponsored this must be noted on the sign and all parties must be named.
- For an organization to be identified as a sponsor on a poster there must exist a direct relationship between the general function of the organization or department and the event being advertised.
- All flyers must include contact information.
- Posters are not to exceed 11” x 17” without the permission of the Director of the Gateway Information Center.
- Posters on easels are only allowed in locations approved by the Director of Facilities or the Special Events Office.
- No tape or other material may be used to affix flyers to glass, painted surfaces or other surfaces not dedicated for postings.
• The distribution of material is not allowed in an area reserved by another organization nor can it impede another scheduled activity or event.
• The distribution flyers may not obstruct pedestrian or vehicular traffic.
• Postings shall not be attached to vehicles in any way.
• Leaflets or handbills discarded on the ground in the general area of distribution are to be picked up by the sponsoring group.

CHALKING
Chalking is permitted, if it complies with the Posting Policy in addition to the following:

• Chalking may be utilized by registered student organizations and university departments and is only allowed on outdoor concrete sidewalk areas that are exposed to the weather and can be easily washed away by rain. Do not chalk on steps or other vertical surfaces.
• Chalk must be water-soluble, washable, non-toxic and clearly identified as sidewalk chalk.
• Chalking must be clear and legible and must bear the name of the student organization.
• Chalking is not allowed within ten (10) yards of building entrances, on steps, any vertical surfaces, landscaping or brick.

YARD SIGNS
Registered clubs and organizations, as well as campus departments requesting placement of yard signs on campus must contact the Special Events Office regarding placement. Signs must not be an obstacle to the grounds crew, or interfere with underground computer or sprinkler lines.

Approval will be granted for two (2) weeks at a time depending upon the timeliness of the request as well as the number of other requests for the same time period.

• Small yard signs may be placed two (2) feet from the sidewalks.
• Signage must be removed the morning after the event.

Questions about this policy can be directed to the Gateway Information Center Manager at (574) 520-5005.

GREEN TIPS TO CONSIDER:
- Choose signs that are recyclable and reuse/repurpose the wire frames
- Consider offering electronic presentations after events.
- Offer giveaways that are reusable, recyclable and of likely value to the participants.
- Consider using double-sided, high recycle content paper certified by the Forest Stewardship Council, with vegetable-based ink.
SECTION 18
PROGRAMS INVOLVING CHILDREN

Indiana University has adopted a Programs Involving Children Policy (PIC) (PS-01) that must be followed for any campus program or event designed to include children under 18 years old.

The PIC policy was created to ensure the overall protection and safety of children involved in Indiana University programs through the use of background checks, program registration, a mandate for program-specific guidelines, and an emphasis on the legal duty to report suspected child abuse and neglect.

Customers who have signed a Facilities License Agreement for the event, or the campus department sponsoring the event, must ensure and maintain proper supervision over such individuals. A Release of Liability may be required from the customer for each underage individual.

The policy, along with additional resources and information concerning the policy, can be found at: https://protect.iu.edu/police-safety/policies/programs-children/index.html
SECTION 19
SHOWING MOVIES ON CAMPUS
See Frequently Asked Questions (Appendix J)

This policy is intended for campus events involving the showing of films, not for use in a classroom for instructional purposes. Any public showing of a film requires that public performance rights be obtained. In many cases, there are costs and additional restrictions. Please ask before assuming your club or organization can host a public viewing of a film, even if the film is available through the campus libraries. Permission to show the film must be obtained prior to the showing.

Any movie shown in a public place (including an auditorium or meeting room) is considered a public performance whether or not admission is charged. Proof of copyright approval must be sent to the University Center for Excellence in Teaching (UCET) video production manager, Joel Langston at jblangst@iusb.edu.

What is the film you want to show and how is it obtained?
If through the library, confirm that the library has purchased public performance rights. Not all films available through the library in either DVD format or streamed content come with public performance rights. Contact the library at (574) 520-4441 to confirm.

If the film is not available through the library with public performance rights, you must obtain public performance rights. If you have not obtained public performance rights, you are breaking the law and putting the university and yourself at risk of lawsuit and fines. (See Copyright at Indiana University web page at http://copyright.iu.edu/).

Rental fees:
In most cases, there will be a fee or cost to obtain the rights to show a film publicly. Licensing fees average $200 to $500 but may be higher. Contact the Office of Student Life at (574) 520-5533 or sblife@iusb.edu for possible financial assistance.

Securing Public Performance Rights:
Contact any of these vendors to secure public performance rights. Information on how to contact the company can usually be found on the company’s website. For more details on how to secure permission, see the permissions page of the Columbia University Libraries Copyright Advisory Office at http://copyright.columbia.edu/copyright/permissions/. Permission may sometimes be granted directly from the copyright holder. The movie’s website or the package that contains the movie will indicate the copyright holder. In most cases, this will be the movie studio.

The copyright holder may request information regarding the name of the organization which will be showing the movie, the title and format of the requested movie, where and when the movie will be shown, the anticipated size of the audience, whether or not there will be an admission charge, and contact information.

Purchasing Procedure:
Whenever paying an outside vendor, as in the case of obtaining public performance rights, Indiana University purchasing procedures must be followed.

If the company or producer does not give permission for the public showing, you may not show the film. Contact the library for assistance in finding an alternative film to show.

Questions:
Contact the Dean of Library Services (574) 520-4448, the Scholarly Communications Librarian at (574) 520-4209 or Director of Collection Services at (574) 520-5500 for additional information.
SECTION 20
SOCIAL EVENTS POLICY

Dances and late night social events occurring on the campus of IU South Bend are an important part of campus life because they offer students and other members of the campus community an opportunity to socialize and be together. These events typically take place after normal operating hours and specific procedures outlined in this policy must be followed. See Appendix D for the Event Planning Checklist.

In the tradition of shared governance, sponsoring student organizations and campus administration work closely together to plan a safe and successful event. Sponsoring organizations, their members, and their guests, are responsible for following campus policies and procedures. Campus administration is responsible for assisting student organizations to plan events that are safe and contribute to a vibrant campus life.

POLICY LIMITATIONS
This policy does not supersede other IU policies. Additional facility-specific policies and procedures may apply.

Failure to follow policies or procedures may result in cancellation of the event.

LATE NIGHT SOCIAL EVENTS AND DANCES
Dances are primarily designed for socialization among college students and members of the IU community (students, faculty, staff and alumni). Guests must be accompanied by an IU student. Any guest that is not an IU student must be eighteen (18) years or older and sign in with an IU student as their host. Guests are the responsibility of the host student and sponsoring student organization. The sponsoring student organization retains the right to deny entry. A list of names of all guest attendees must be submitted to IU Police Department (IU PD) at the conclusion of the event.

Liability for the hosting organization is limited to the reserved space. IU Police Department (IUPD) and building management assumes all other responsibility including parking, outdoor and egress areas and non-reserved spaces in proximity to the rented facility.

Dances are not open to the public.

PLANNING
The sponsoring student organization must designate at least one individual as the event coordinator. The event coordinator will act as the official communication channel for venue staff, and who will attend all meetings and the event. NOTE: Event coordinator MUST be present for the entire event.

To assure proper staffing, planning and communication, these dates must be followed for event venues. If unusual circumstances exist, venue providers and IUPD will make every effort to accommodate student organizations. Requests made less than twenty-one (21) days prior to an event will not be considered.

TIMELINE

| 21 days in advance | Event location must be requested at least twenty-one (21) days in advance. Contact the campus Special Events Coordinator to confirm the date and receive a copy of the Special Events Manual containing the Event Planning Checklist. Your event is not approved until it is confirmed by the Special Events Office. Requestor, advisor/department representative, IU Police Department and Director of Student Life will be notified by e-mail. NOTE: Event is confirmed only when all paperwork is approved. |
|**Event Kickoff Meeting** held between sponsoring organization event coordinator(s), IU Police Department officers and other security personnel (if applicable). |
REQUIREMENTS
- **Monitors:**
  The sponsoring organization (student club) must have four (4) monitors at the dance. These monitors must be clearly identified and understand their role in helping to keep the event a success.

- **Time Restrictions:**
  No admittance after midnight. All guests must leave by 1:00 a.m. Venues must be cleared by 1:15 a.m.
  *Event time will be adjusted accordingly for any events not scheduled to end at midnight.*

- **Alcohol:**
  No alcohol is allowed at student events. This includes parking lots. (Section 6)

- **Room Capacity:**
  It is the responsibility of the sponsoring organization to know the room capacity and to count people as they enter to ensure that the Life Safety Code capacity is not exceeded. If the room capacity is reached event sponsors must cease admitting guests.

- **Coat Check:**
  Coats, book bags and inanimate objects are not allowed into dances. Coat racks will be provided in the Fireside Rooms. If the sponsoring organization chooses to provide an attended coat check, they are responsible for staffing. The sponsoring organization has the option of charging a fee.

- **Decorations:**
  It is the responsibility of the sponsoring organization to clean up decorations after their event. Any clean up or damage will result in a charge to the sponsoring organization.

SAFETY
Assuring safe events is a shared responsibility between the sponsoring organization, facility management and IU Police Department. This commitment to shared governance includes decisions regarding conflict management. However, immediate or final decisions, particularly in cases of crises, will be made by IUPD and/or facility staff. All IU and facility-specific policies must be followed (i.e., keeping fire lanes clear of vehicles; no alcohol allowed in facilities).

- **IU Police Department:**
  IU Police Department is required to approve all security for dances. An hourly rate will be charged to the sponsoring club or department. A minimum of two (2) IU Police Officers are required for events with an expected attendance of up to 300 persons. An additional one (1) IU Police Officer is required for each 100 persons beyond 300. The role of IU Police Officers is one of law enforcement and emergency first-response only and will not include door supervision or admittance decisions.

- **Sponsoring Organization:**
  A minimum of four (4) volunteers, determined by the sponsoring organization and identified in a predetermined manner, must attend the event kickoff meeting. Volunteers are responsible for working with, and responding to, facility staff and IU Police Officers to manage the entire event, and for taking responsibility on behalf of the sponsoring organization for event admittance decisions. The sponsoring organization is responsible for clearing the facility and surrounding area of guests within 15 minutes of the event end time, but no later than 1:15 a.m., and may ask for IU Police Officers for support as necessary. *If shift changes are needed, new volunteers must introduce themselves to the facility staff and IU Police Officers.* The event coordinator must train additional volunteer staff on their responsibilities as discussed in the event kickoff meeting.

To quickly end disturbances, lights may be immediately turned on and music stopped to assist those managing the event. Depending on the severity of the disturbance, and the potential for other disturbances, the event may be ended. IUPD has final authority on the ending of a dance. Depending on the severity of the disturbance, future events by the sponsoring organization may be canceled after consultation with at minimum the Campus Events Committee and Associate Vice Chancellor for Student Services.
SECTION 21
SUPPORT SERVICES

GENERAL GUIDELINES FOR EVENTS SPONSORED BY A CAMPUS DEPARTMENT OR CLUB

- The Special Events Office takes room reservations and setup requests (tables, chairs, podiums, easels, etc.) and submits work orders.

- Support Services requires seventy-two (72) hours (3 working days) notice for any room setup requests during normal business hours (7:00 a.m. – 3:30 p.m., Monday -- Friday). Room setup requests falling outside normal business hours, or of a nonstandard configuration, must be submitted at least seven (7) working days prior to the event or the request may be denied.

- Events requiring setup outside of normal business hours (before 7:00 a.m. and after 3:30 p.m., Monday -- Friday) must receive prior approval from the Support Services supervisor or designee and may require a fee to cover associated costs.

- Facilities staff are the only people authorized to open or close the Fireside walls.

- Nonstandard setups should be coordinated with the Special Events Office prior to approval and may require an additional fee to cover associated costs.

- All setups must comply with fire code room capacity and egress requirements. All events must meet the Americans with Disabilities Act (ADA) accessibility guidelines.

It is a violation of Fire Code 1004.7 to add chairs or to stand in any room with fixed seating. Doing so endangers attendees and puts your event at risk of being cancelled immediately without being rescheduled.

- Support Services uses its equipment for setups and is not responsible for setting up, resetting, moving or securing items/equipment belonging to other organizations. Support Services does not mix rented equipment with university furnishings such as tables and chairs or pieces of stage. When extra tables and chairs are needed by internal groups, every attempt should be made to help the office on campus with their needs. When rental equipment is used, the rental contract must include a setup/tear-down agreement using the vendor’s staff.

- Facilities staff handles set-ups on the gym floor of the Student Activities Center.

- Rental Companies: Outside rentals must be approved in writing at least one (1) week prior to delivery by the Special Events Office. Name of the rental company, date and time of delivery and pick-up, and name of person authorized to sign must be provided. A pre-delivery meeting is required.

GENERAL GUIDELINES FOR EXTERNAL GROUPS

- Campus support services will be used unless otherwise agreed upon. All provisions outlined above apply unless addressed separately in this section.

- Custodial and setup fees will be added according to the Facilities Management Event Charges. (Appendix I).

- When scheduling an event outside normal business hours (7:00 a.m. – 3:30 p.m., Monday -- Friday) or when an event requires a special setup, the equipment request must be placed at least two (2) weeks prior to intended use.

- It is the responsibility of the external group to contract for rental equipment.
SECTION 22
VIDEO RECORDING AND PHOTOGRAPHY ON CAMPUS

This section clarifies what is allowed on the Indiana University South Bend campus and its properties.

Definitions include:

**Campus Image:** A still or moving image that can be readily identified by the public as IU South Bend property such as architecture, landmarks, signage, the presence of prominent individuals, logo clothing or athletic uniforms.

**Filming:** Capturing moving or still images of IU South Bend property by any means on any media now known, or that may be invented in the future. This includes, but is not limited to, film, videotape, digital disk or any electronic transmission to another medium or to the Internet.

**Photography:** Capturing still images onto any compatible medium, or posting to the Internet, by any means or devices now known or that may be invented in the future. This includes, but is not limited to, film cameras, digital cameras, electronic devices such as personal computers, mobile phones or personal digital assistants.

**General Guidelines:**
Noncommercial filming and photography is permitted on IU South Bend property, provided such activity does not interfere with the educational, research and normal program functions or scheduled events of the university, does not pose a security or safety risk to the university community, and does not violate individuals’ reasonable expectations of privacy.

Generally, filming on IU South Bend property requires prior approval. To request approval, the form at Appendix E should be completed and submitted to the Special Events Office. The approval process helps keep everyone safe, the university running smoothly, and avoid situations that could create legal problems or harm the reputation of the campus.

Under certain circumstances, prior approval will not be required. Those circumstances are limited to the following:

- Incidental, unobtrusive noncommercial filming or photography by visitors or tourists to the campus. Any such filming or photography may not be used for commercial purposes at any time without the express written permission of the Office of Communications and Marketing.

- Incidental filming or photography by IU South Bend campus faculty or staff creating work to be used for non-commercial, educational or administrative purposes. It must be done unobtrusively and without interruption to campus programs, classes or activities, and not require any special campus services (security, traffic, etc.).

- Students are free to record video/film assignments on campus without prior approval if it is done as part of a class project. However, the instructor must make it clear to students that the project must adhere to these guidelines.

Regardless of whether prior approval is required, all filming on campus should adhere to the following principles and restrictions:

- The use or re-use of the filming or photography output must be consistent with the interests of the policies of Indiana University.

- Providing Notice: You must use reasonable methods to inform individuals in the area that filming is taking place. For example, a verbal announcement would suffice for a small setting. For a larger setting, a notice posted at the perimeter of the filmed area is acceptable. The purpose of the notice is to provide individuals who do not wish to be photographed, recorded, or appear in the film the opportunity to leave the area or to pass by without being filmed.

- Compliance with University Policies: Use of electronic recording/streaming devices such as webcams, netcams, video or audio recorders, etc. must comply with existing university policies and practices, including, but not limited to the university Video Surveillance Policy PS-02, the university Sexual Harassment Policy, the Student Code of Conduct, University Academic Policies, the IUSB Academic Handbook, and other applicable policies and laws. See new policy on *Unmanned Aircraft (Drones and Model Aircraft)*. [https://policies.iu.edu/policies/ps-05-unmanned-aircraft-drones/index.html](https://policies.iu.edu/policies/ps-05-unmanned-aircraft-drones/index.html)

Filming may not put the safety of people at risk; put university property at risk; interfere with the normal operation of the university, interfere with the rights of others on campus, including their reasonable expectations of privacy, restrict pedestrian or vehicle traffic on or around campus, or reflect negatively on the image of the mission of the university.

  Go to Fiscal Affairs/forms/dining services exemption form
**HOSPITALITY POLICY**

**AND SALES TAX**

**FREQUENTLY ASKED QUESTIONS**

*What is hospitality?* Hospitality is food, meals, drinks (nonalcoholic), snacks, buffets, catered meals, meals at a restaurant, all of which must serve a bona fide university purpose.

*Who can get hospitality?* Allowable hospitality expenses have been divided into three general categories:
- Meals or refreshments served during off-campus business meetings
- Meals for prospective employees, visitors, guests or donors, i.e., search and screen activities
- University receptions, i.e., functions for which the primary purpose is the attendance and benefit of students or potential students

*When do I request hospitality?* Requests for on-campus events must be made fourteen (14) days in advance of the event. If you have an off-campus dinner or meeting, the request must be in Accounting Services no later than twenty-four (24) hours after the event so it can be billed in a timely manner.

*How do I request hospitality?* The event host or organizer submits a request to their account manager on an approved *Hospitality Request Form.* If the account manager authorizes the event, they sign the form and submit it to Accounting Services for review.

*Why do I have to request hospitality in advance?* The *Hospitality Request Form* provides information to Accounting Services about the event: you plan to host an event, who will attend, who authorized it, the purpose of the event, where and when the event will be held, and it also describes how you intend to pay for it. Submitting your *Hospitality Request Form* on time allows the campus Fiscal Officer time to review the event for compliance with IU and IU South Bend policies on events. Often, an event cannot be approved as submitted, but the Fiscal Officer will offer suggestions on how to modify the event to meet campus policy.

*I was just notified I did not submit a Hospitality Request Form for my event. Do I still have to submit one?* Yes. All events must be documented by a *Hospitality Request Form* if the event is paid for with IU or IU Foundation funds. However, since your form is late, it requires the additional approval of your department’s Dean or Director.

*What happens if I just do not submit the Hospitality Request Form?* If you do not submit the request in a timely manner, you run the risk of having funding for your event denied.

*Can campus hospitality be used to purchase alcoholic beverages?* Alcohol cannot be purchased with Campus Funds. Any alcohol purchase must be paid for separately from donor funds held at the IU Foundation. See Section 7 regarding permission needed to serve alcohol.

*How do I pay for hospitality?* There are three basic sources of funding for hospitality expenses. The first source is one of your campus accounts (General Funds or other campus funds). The second is the Campus Hospitality Account which is strictly reserved for student events, search & screen events, and academic reviews). The third source is the IU Foundation. If an event is held off campus you must use the IU Foundation. Finally, you can always pay for it yourself with cash or check if it does not qualify for any other hospitality funding.

*Does it matter how I pay for hospitality?* It makes no difference if the purchase is made via purchase order, direct billing, cash or personal credit card for reimbursement. If you are buying meals or refreshments with university or IU Foundation funds, you must get hospitality approval by submitting the form. Please remember that a detailed receipt must be obtained for any meal in addition to any charge card receipts. In addition, you should write the names of all participants on the receipt. If you are dealing with a very large group, note the group on the receipt and attach a list of names to the reimbursement form.

*Can I use my Procurement Card (P-Card) to pay for hospitality?* No, you cannot use an IU Procurement Card to pay for any type of hospitality.

*Does each event require its own hospitality approval?* If you have a speaker in and they are dining with one group of students at lunch and another at dinner, you need to request two (2) hospitality approvals. If you are hosting meals for search and screen activities, each meal requires a separate hospitality approval.
**What are examples of times when a Hospitality Request Form is required?**

- Any event that includes students, such as a speaker presentation or receptions and the host wants to serve snacks and beverages for the class or other group of students, the visitor, and faculty/staff in attendance. The key element in hospitality is that the event must serve a bona fide university purpose.
- Open event inviting students to join a club and refreshments are served.
- Professor invites students and a guest to lunch or dinner for the purpose of discussing internships.
- Students are hosted by a professor or director for a welcome-back event, meal associated with a class, recruiting event etc. (For the purposes of hospitality, students could be prospective students as well as enrolled students.)
- Search and screen activities for prospective faculty or staff candidates.
- Additional examples may apply. Contact Accounting Services for details.

**What are examples of times when a Hospitality Request Form is not needed?**

- If you are taking up a collection for department snacks there is no need for a hospitality approval. You only need hospitality approval when spending IU or IU Foundation funds.
- When you are taking your staff out to lunch, and will pay for it with your own personal funds, you do not need hospitality approval.
- Additional examples may apply. Contact Accounting Services for details.

**What examples of unallowable uses of Hospitality?** Hospitality is not allowed for holiday luncheons or parties, gifts, staff birthdays, Administrative Professionals Day, employee meals or snacks when not provided at a department business meeting, personal memberships in social organizations, and flowers (unless used for an allowable event). It is also not allowed for alcohol, charitable donations, or IU Foundation fundraising events. Additional examples may apply.

**Are Fund accounts (example: 23 accounts) exempt from the IU Hospitality Policy?**

- No on-campus funds are exempt from review under the policy. Please submit a hospitality form for events funded by any campus or IU Foundation accounts.
- Accounts funded by external sales are allowed to incur promotional hospitality expenses as necessary and appropriate for the revenue generating activity of that account. Check with Accounting Services to make sure your promotional expense would qualify.
- Accounts funded by Student Activity Fees are allowed to incur approved student activity hospitality expenses.
- Additional examples may apply. Contact Accounting Services for details.

**When is hospitality approval a gray area?** If a student or students are included in an event but they are in a distinct minority, use of the campus hospitality account may or may not be allowed. In these situations, it is better to fill out the Hospitality Request Form and have an authorized University Fiscal Officer make the call. They will look at both the purpose of the event and the ratio of students to nonstudents in determining whether an approval can be given.

**Are hospitality expenses subject to mandatory reporting?** The Hospitality Policy does not apply to expenses that are:

- Subject to mandatory reporting under the Honest Leadership and Open Government Act of 2007 (HLOGA) or
- Official business of the Director of Federal Relations. HLOGA covered expenses must be approved ahead of time by the IU Office of Federal Relations. Failure to do so may result in nonpayment of such expenses.

The Hospitality Request Form can be found at: [https://administration.iusb.edu/doc/fiscal-affairs/forms/Hospitality%20Form%20IUSB%202016.pdf](https://administration.iusb.edu/doc/fiscal-affairs/forms/Hospitality%20Form%20IUSB%202016.pdf)

APPENDIX J
SHOWING MOVIES ON CAMPUS

• FREQUENTLY ASKED QUESTIONS
SHOWING MOVIES ON CAMPUS
FREQUENTLY ASKED QUESTIONS

Can I watch a movie on campus by myself or with my friends?
Yes, as long as it is for personal viewing and not as part of an event. It is okay if you live on campus and have friends over and would like to watch a movie together since this is considered personal viewing. If it is for a student club, fundraiser, any organized event, or a public showing, you cannot show a movie without obtaining showing rights.

What are group showing rights and/or a Public Performance License?
Any copyrighted movie or show is protected by federal and state laws from being shown to the public except when given permission. This permission is granted in a Public Performance License or where an organization has obtained group-showing rights. Normally there is a charge to obtain group-showing rights. Additional information can be found at: https://library.iusb.edu/research-support/schpub/obtaining-permission.html

I have a Netflix Account or some other paid subscription account, so can I show a movie from one of these services since I have paid for it?
No. The paid subscription you have is a personal use only. If you read the user agreement from the service, it states that you do not have permission to show their content for commercial or public use. Some paid subscription services such as Netflix may have some content (such as some documentaries) that have permission to be shown to the public without charge. Remember that you must get permission in advance before showing. Proof of copyright approval must be sent to the University Information Technology Services (UITS) event consultant Joel Langston at jblangst@iusb.edu.

A faculty member is attending the event and said that this movie falls under the Fair Use/Academic Freedom law. Can I show this movie at my event?
No. Though the Fair Use/Academic Freedom laws do allow educators to show films and other media for educational purposes, the law is vague and leaves it up to debate on what it covers. Different institutions interpret the law differently. There are other colleges and universities that will have different polices than Indiana University because they interpret the law differently. Indiana University Counsel has interpreted that the Fair Use/Academic Freedom law only applies when the content is shown in an enclosed space where all participants are enrolled in a specific academic course (i.e. only in an enrolled classroom).

Can I show a movie at an event that I checked out of the campus library?
Possibly. The Franklin D. Schurz Library does obtain group showing rights for some of the videos/movies they own, but not all of them. You should check with the library to see which titles they have group showing rights. The Franklin D. Schurz Library does have a digital streaming service called Kanopy that has a variety of movies, documentaries, and shows that do have public performance rights. Additional information can be found at: http://libguides.iusb.edu/video. You are allowed to stream movies from Kanopy for your events as long as the event is free of charge. The event can be open to the public. Contact the Scholarly Communications Librarian at (574) 520-4209 for more information about library resources including assistance in securing public performance rights.

Can I show a movie from the campus Xfinity/Reslife Cinema service on campus?
You may only show content from Xfinity/Reslife Cinema at an event if it is only open to housing students. Only our housing students have individual accounts associated with our campus contract with Xfinity. Xfinity does allow us to show their content on some open places on campus, but they are not granted access to utilize the service for organized events.

How do I obtain group-showing rights to a movie we want to use for an event?
See Section 19 “Showing Movies on Campus” and then contact the Office of Student Life for assistance in obtaining group showing rights. Student life may be able to help you find funding alternatives and possible collaborators, as well as assist you in planning your event. Contact Maureen Muldoon in the Special Events Office to reserve space and help with your technology requests. Proof of copyright approval must be sent to the University Center for Excellence in Teaching (UCET) video production manager, Joel Langston at jblangst@iusb.edu.

EVENT TECHNOLOGY

UITs maintains a limited pool of equipment to support academic needs and events on campus and provides technical support in campus spaces with permanently installed equipment.

In order to best service the campus community, UITS needs ample time to schedule staff and equipment. For technical support at events, UITS requires two (2) weeks notice for events taking place within normal business hours (8:00 a.m. – 5:00 p.m.) and four (4) weeks notice for events taking place outside of normal business hours.

On-site technical assistance for external events is invoiced at $25 per hour.

If requests are beyond the capabilities of UITS, we work with the event organizer and an outside rental agency to provide necessary services. These costs will be the sole responsibility of the event organizer and not Indiana University nor UITS.

Contact UITS at helpdesk@iusb.edu or (574) 520-5555 for technology capabilities or with questions.
