Dear Campus Colleagues,

I am pleased to present the 2015-16 Special Events Manual for Indiana University South Bend. This document is the result of the hard work of Special Events Coordinator Maureen Muldoon and the Campus Events Committee. The handbook outlines specific guidelines and policies required for scheduling and presenting a high quality event on campus. It is extremely important that these procedures are followed. This manual includes legal issues, safety guidelines, and other instructions for event planning. I ask you to pay special attention to the updates for Programs Involving Children (PIC) and Campus Emergency Procedure Guidelines. IU South Bend must be diligent in understanding and following these procedures to keep the campus safe for all.

Special events are a wonderful opportunity to showcase the facilities, faculty and students at IU South Bend. The Special Events Office provides a one-stop event planning service for both on-campus and community organizations. Dining Services and catering are also coordinated through the Special Events Office. Please take advantage of the professionalism and expertise that Maureen provides to have a successful event.

If you have questions about an event or the manual, please contact Maureen at (574) 520-5111 or e-mail her at mmuldoon@iusb.edu. Thank you.

Sincerely,

Terry L. Allison

SECTION 1
HOW TO PLAN CAMPUS EVENTS

Many events on the IU South Bend campus are held annually. Contact the Special Events Office as soon as possible to confirm a date for the following year.

**Determine your funding source(s)**
Where will funding come from to pay for catering, floral arrangements and/or decorations, and honorariums, etc.

**Contact the Special Events Office**
The Special Events Office is designed to collaborate with other on-campus departments to ensure events are of the highest quality. This office will facilitate the remaining steps.

**Estimate Attendance**
You will be asked to consider the estimated attendance at your event in relation to the room you request. Each room has a maximum occupancy capacity that cannot be exceeded.

*It is a violation of Fire Code 1004.7 to add chairs or to stand in any room with fixed seating. Doing so endangers attendees and puts your event at risk of being cancelled immediately without being rescheduled.*

**Consider Your Catering Needs**
What type of meal would you like to serve? What type of setup would you like to create? The Special Events Coordinator should be involved in your initial planning to suggest catering and setup for your event.

*Sodexo has an exclusive contract to provide all catering and food and beverage service on campus. Homemade food, food or beverage from another caterer, restaurant or grocery store is not allowed.*

**University Information Technical Services (UITS)/Media Services**
The Special Events Office will communicate your audiovisual and/or technology needs to the Departments of UITS/Media Services. Keep in mind these requests must be made at least four (4) weeks prior to the event.

**Invitations**
Invitation lists are generated by the sponsoring department. Invitations to public events can be designed for the sponsoring department through the Office of Communications and Marketing (OCM). Production requests must be submitted in a timely fashion and the customer pays for all printing costs. OCM will review all invitations prior to printing to maintain a level of quality on the campus.

**Program**
Selecting those who participate on your program and clearly recognizing their roles adds to the success of your event. Programs for public events can be designed for the sponsoring department by the Office of Communications and Marketing (OCM). Production requests must be submitted in a timely fashion. Please use the online project request form at marcom.iusb.edu. The customer pays all printing costs. OCM will review all programs prior to printing to maintain a high level of quality on the campus.

**Use of Logo**
Any material using the IU South Bend logo must be approved by the Office of Communications and Marketing. Do not use “IUSB” in your material. Use “IU South Bend” or “Indiana University South Bend”.

**Promotion of Your Event**
The Office of Communications and Marketing (OCM) provides promotional support for significant IU South Bend events. Press releases and the use of the IU South Bend logo must be approved by OCM. The campus website, Daily Titan, and other distribution channels are also available for promotion of your event through OCM.

**Filming/Videotaping/Photography**
See Section 21 and Appendix E for information on videotaping/filming/photography on campus.

**Honorariums and Payments**
Contact Purchasing for assistance at least four (4) weeks in prior to your event.

All individuals and groups must agree to the following:

- **Tobacco Free Policy (PS-04):** The use or sale of tobacco products and smoking related products is prohibited on Indiana University property. Smoking is allowed within the confines of your personal vehicle.

- **Firearms and Weapons Policy (PS-03):** Firearms and weapons are prohibited on Indiana University property. The prohibition applies regardless of any permit to carry a firearm. The prohibition does not apply to law enforcement officers authorized to possess a firearm either on or off duty, by the employing law enforcement agency. [http://policies.iu.edu/policies/categories/administration-operations/public-safety-institutional-assurance/PS-03.shtml](http://policies.iu.edu/policies/categories/administration-operations/public-safety-institutional-assurance/PS-03.shtml)

- Possession or use of illegal drugs is forbidden on university properties.

- Alcoholic beverages (Section 6)

- Food and beverages are not allowed in the Campus Auditorium, Performance Hall, DW 1001 or EA 1011.

- Overnight events are not permitted on campus.

- The campus Event Planning Checklist (Appendix D) must be submitted to the Special Events Office by the student club or organization sponsoring the event at least twenty-one (21) days in advance. This form must include a faculty advisor signature. The faculty advisor will be held responsible for the terms and conditions of the event. **Your event is not approved until the form is processed and the requestor, advisor/department representative, Indiana University Police Department and Director of Student Life (if applicable) are notified by e-mail.**

- All areas used must be left in the same condition as at the start of the event. Teardown of an event must occur in a timely manner. If the event is during business hours, it is mandatory that the area be cleared of food, beverages, containers and trash immediately following the event. If the event is after business hours, the area must be cleared the following day. Additional charges may apply if not left in acceptable condition. **The user shall be liable for any and all damage to university property arising out of or connected to user's event(s).**

- When individuals under the age of 18 participate in an event, the customer who has signed the Facilities License Agreement for the event, or the campus department sponsoring the event, must ensure and maintain proper supervision over such individuals. Release of liability may be required from the customer for each underage individual. The Programs Involving Children policy must be followed. [http://policies.iu.edu/policies/categories/administration-operations/public-safety-institutional-assurance/PS-01.shtml](http://policies.iu.edu/policies/categories/administration-operations/public-safety-institutional-assurance/PS-01.shtml)

- Abide by university policy regarding drawings, raffles, poker tournaments and other games of chance.

The use of university facilities is denied all individuals and groups for the following purposes:

- Political rallies for political campaign purposes that would further the interests of the candidate or candidates of any one political party. **This policy is not interpreted as prohibiting the meeting of student political groups which are open in attendance by students and faculty members of Indiana University but events which are not open to the general public.** (Section 14 and Policy 2)

- Illegal events or activities.

- IU South Bend reserves the right to restrict and/or refuse use of its facilities to a non-university group.

- Events or sales that advance the personal or financial benefit of any individual.
SECTION 4
SCHEDULING A UNIVERSITY-SPONSORED EVENT

A **university-sponsored** event is one which has direct educational value for students, faculty and/or staff. It is promoted by a campus department that takes full responsibility for the success of the event as part of its curriculum and mission. Attendance at the event by representatives(s) of the sponsoring department is essential to its function. The sponsoring department plays a deciding role in all phases of planning, participation, content and follow-up for the event.

- **You are a university sponsor** if your department, program, or registered student club is directly involved with the planning and execution of the event, and has a University representative (faculty/staff/club member) attend the event. The event will be considered part of the overall educational mission of the university and no rental, service, or parking fees will be applied unless events requiring campus services are outside of normal business operations. These may require a fee to cover associated costs. The Special Events Office may ask for a second approval from the vice chancellor level if the event’s relationship to the university is unclear. IU South Bend reserves the right to decline an event.

- **You are not a university sponsor** if any of the above criteria are not met. A community business or organization that wishes to meet on campus must contact the Special Events Coordinator to discuss availability and rental fees.

- University properties shall be used only in accordance with federal, state and local laws and shall not be used for the purpose of organizing or carrying out any unlawful activity.

- University facilities are provided primarily for the support of the educational functions of the university and the activities necessary for the support of these functions. University functions generally take precedence over any other activities in the use of university facilities. See Use or Rental of the Student Activities Center in Section 5.

  **IU South Bend reserves the right to change the meeting or conference room reservation depending upon university requirements.**

- **Campus Event Planning Checklist** – The *Campus Event Planning Checklist* (Appendix D) must be submitted to the Special Events Office by the student club or organization sponsoring the event at least twenty-one (21) days in advance. This form must include a faculty advisor signature. The faculty advisor will be held responsible for the terms and conditions of the event. Your event is not approved until the form is processed and the requestor, advisor/department representative, IUPD and Director of Student Life (if applicable) are notified by e-mail. Departments must also submit this checklist to the Special Events Office for event approval.

- **Office services** (including photocopying, faxing and long-distance phone calls) requested during a meeting/event may be provided at an extra charge depending upon office workload. The customer/department requesting this service will be invoiced. The Copy Center in the basement of Northside (0028) is open Monday through Friday from 8:00 a.m. to 11:30 a.m. and 1:00 p.m. to 5:00 p.m. Copy service is not available at the Elkhart Center.

- **Literature/Fundraising Tables**: IU South Bend approved groups/organizations requesting tables for literature or fundraising must contact the Special Events Office for permission. Approval will be granted one month at a time depending upon the timeliness of the request, and the number of other requests submitted for the same time period. The Special Events Office will submit a work order for the approved request. Tables must be cleared of literature nightly, or literature will be disposed of by custodial staff. In order to maximize your contact with students and minimize facility disruption, you must remain at your table. Do not stand near doors to solicit. If an individual refuses your offer of literature, you must respect their decision to decline your information.

- **Literature table requests for the Community Building** can be forwarded to the Office of Housing and Residence Life. Staff will confirm the reservation and determine the location of the table. University groups are responsible for same day setup and takedown of all material.

  **Work orders for all campus events are to be placed through the Special Events Office to ensure coordination of space and resources.**
SECTION 5
SCHEDULING A NON-UNIVERSITY EVENT

A non-university event is one where the primary contact is not a university employee. Or, the university employee is involved in the event outside his/her assigned university function. Non-university events will be charged according to the Special Events Manual.

Subject to IU South Bend’s Use and Priority Policies, the university permits rental of its facilities and services to non-university users engaged in legal activities. Applicable rental fees will apply to all non-university sponsored events. A Room Pricing Guide is included in this manual. (Appendix I)

IU South Bend employees using the space for non-university related events will be treated as an outside user. Requests for the use of university facilities by IU South Bend employees will be evaluated based on the Special Events Manual to determine appropriate charges.

IU South Bend reserves the right to decline an event.

Contact the Special Events Office at (574) 520-5111 to check meeting space availability.

- No alcohol is allowed on campus without prior approval from the Office of the Chancellor.

- No Employee (faculty or staff) can purchase or serve alcohol at IU South Bend, the Elkhart Center or the Natatorium.

SECTION 7
AUDIOVISUAL/TECHNOLOGY SUPPORT

SCHEDULING A UNIVERSITY-SPONSORED EVENT

Prior to recording a presentation, University Information Technology Services (UITS) must have a signed release form that grants to Indiana University permission to record. This form is not necessary for anyone employed by Indiana University. (Appendix E)

Events held in the Campus Auditorium, or the Louise E. Addicott and Yatish J. Joshi Performance Hall, audiovisual equipment, setup, and staffing are provided by the Ernestine M. After making the initial request through the Special Events Office, a representative of UITS may contact the customer to confirm and/or discuss the request. The availability of equipment and staffing must be confirmed before a contract is approved and signed with the customer.

UITS will provide audiovisual staffing for routine needs during regularly scheduled work hours contingent upon the availability of staff. Telephone support is available to the Elkhart campus.

If the desired equipment is not available, the requestor must contract with an approved outside equipment rental agency.

It is the responsibility of the university sponsor to ensure that university audiovisual and technology equipment is used in accordance with laws related to the display of motion pictures and/or other copyrighted material. (Section 21)

SCHEDULING A NON-UNIVERSITY EVENT

All non-university customers in need of audiovisual and technology equipment must make the initial request with the Special Events Office.

The availability of equipment and staffing must be confirmed before a contract is approved and signed with the customer.

UITS will provide audiovisual staffing for routine needs during regularly scheduled work hours contingent upon the availability of staff.

UITS must be notified at least four (4) weeks in advance for events that require a special setup. Without notice, UITS may deny services.

Non-university constituents will be assessed an equipment fee. A list of fees is included in this manual. (Appendix J) External groups will be charged for the contracted equipment if UITS is not notified of the cancellation at least twenty-four (24) hours in advance of the event.

UITS may generate a checklist for equipment rental based on information provided by the Special Events Office. The checklist must be signed by the requestor and returned to UITS for confirmation. UITS may contact the customer to confirm and/or discuss the request.

The policy, along with additional resources and information concerning the policy, can be found at: [http://policies.iu.edu/policies/categories/administration-operations/public-safety-institutional-assurance/PS-01.shtml](http://policies.iu.edu/policies/categories/administration-operations/public-safety-institutional-assurance/PS-01.shtml)
SECTION 17
SECURITY

All requests for events must be submitted to the Special Events Office on the Event Planning Checklist (Appendix D). Requests will be reviewed by the IU Police Department in order to determine the security requirements for the event.

Requests must be received at least twenty-one (21) days prior to the event date to allow time for review and scheduling should it be required. Security will be provided by the IU Police Department. For some larger events, the use of a bonded security service provider may be required, which must be approved by the Chief of IU Campus Police or his/her designee. If the attendance to an event exceeds that communicated on the contract, or if the Life Safety Code capacity is reached, the IU Police Department will require the event sponsors to cease admitting guests, or terminate the event.

SECTION 18
SHOWING MOVIES ON CAMPUS

Most movies are protected by copyright law, which gives exclusive rights to the copyright owner, including public performance rights. The law also provides some exemptions. The purpose of this document is to help IU South Bend students, faculty, and staff understand the law in order to make lawful decisions when showing a movie on campus.

Any movie shown in a public place (including an auditorium or meeting room) or to any “substantial” group beyond the normal circle of family and friends is considered a public performance. Whether or not there is a charge to view the movie does not matter.

The law includes some important exceptions. Section 110 (1) of the Copyright law allows movies to be shown, without permission from the copyright owner, provided that they are shown “in the course of face-to-face teaching activities of a nonprofit educational institution, in a classroom or similar place as long as the performance is from a legal copy of the movie.” Indiana University Counsel has determined that “teaching activities” are generally those conducted by or under the direct supervision of a faculty member. Any movie shown under this exemption must be directly related to the faculty member’s face-to-face teaching of the subject matter in a specific course. There may be other circumstances in which Section 110(1) would permit a movie to be publicly shown without permission from the copyright owner. The circumstances are narrow, however, and no such showing should occur without prior consultation with the IU Office of University Counsel.

Some movies are not protected by copyright and may be shown without restrictions. Movies that are either in the public domain (generally those published before 1923) or created by the U.S. government may also be viewed publicly without obtaining permission. Additionally, there are some copyright owners who explicitly make their work available with few restrictions.

Unless mentioned above, ALL other showings of movies require permission from the copyright holder before they can be shown. It is the responsibility of the sponsoring department or organization to secure permission or pay a license fee for any public showing. Permission is usually granted only after paying a licensing fee which generally ranges from $200 - $500. Some films will cost more. If the request for performance rights is denied or not received prior to the scheduled showing, the movie cannot be shown on campus.

For more information, see the Copyright at Indiana University web page available at: http://copyright.iu.edu/

How to Secure Performance Rights

In many cases, obtaining performance rights is easy and the cost is reasonable. However, in some cases, it is difficult or impossible and/or prohibitively expensive. Therefore, any department or organization wishing to show a specific film is advised to begin the process early.

One of the easiest ways to get performance rights is to obtain a movie available from one of the companies who license movies on behalf of the film companies. (It is sometimes possible to obtain the movie locally and just pay one of these companies the licensing fee.) Some of the primary licensing companies are:

- Swank Motion Pictures (http://swank.com/)
- Criterion Motion Pictures (http://criterionpicusa.com/)
- Kino International Corporation (http://www.kino.com/)
- Milestone Film and Video (http://www.milestonefilms.com/)
- Motion Picture Licensing Corporation (http://www.mplc.com/index.php)
- New Yorker Films (http://www.newyorkerfilms.com/)

---

1 This document uses the term “movies” to include motion pictures and other audiovisual works in all formats.
2 For questions regarding the showing of movies in distance learning classes, please contact the Dean of Library at (574) 520-4448. For general information about the use of copyrighted works in distance education, please see http://copyright.iu.edu/.
The websites of these companies provide the information to request necessary rights. Because of the quantity of films IU South Bend shows, it is sometimes possible to get a discounted rate. For more information about this or for assistance in obtaining films, contact Office of Student Life at (574) 520-4587 or sblife@iusb.edu. If a movie is not available from one of these companies, permission may sometimes be granted directly from the copyright holder. The movie’s website or the package that contains the movie will indicate the copyright holder. In most cases, this will be the movie studio.

Information on how to contact the company can usually be found on the company’s website. The copyright holder may request information regarding the name of the organization which will showing the movie, the title and format of the requested movie, where and when the movie will be shown, the anticipated size of the audience, whether or not there will be an admission charge, and contact information.

As noted above, if the copyright owner grants performance rights, it will generally be for a fee and performance rights must be received prior to the showing of the movie.

For more details about how to secure permission, see the Permissions page of the Columbia University Libraries Copyright Advisory Office at http://copyright.columbia.edu/copyright/permissions/.

Please remember that whenever paying an outside vendor, as in the case of obtaining public performance rights, purchasing procedures must be followed. Contact Purchasing.

Questions? Please contact the Dean of Library at (574) 520-4448. When necessary, the Dean will contact University Counsel for final decisions.

This statement was approved by the University Counsel of Indiana University on June 8, 2006.
SECTION 19
SOCIAL EVENTS POLICY

Dances and late night social events occurring on the campus of IU South Bend are an important part of campus life because they offer students and other members of the campus community an opportunity to socialize and be together. These events typically take place after normal operating hours and specific procedures outlined in this policy must be followed. See Appendix B for the Event Planning Checklist.

In the tradition of shared governance, sponsoring student organizations and campus administration work closely together to plan a safe and successful event. Sponsoring organizations, their members, and their guests, are responsible for following campus policies and procedures. Campus administration is responsible for assisting student organizations to plan events that are safe and contribute to a vibrant campus life.

POLICY LIMITATIONS
This policy does not supersede other IU policies. Additional facility-specific policies and procedures may apply.

Failure to follow policies or procedures may result in cancellation of the event.

LATE NIGHT SOCIAL EVENTS AND DANCES
Dances are primarily designed for socialization among college students and members of the IU community (students, faculty, staff and alumni). Guests must be accompanied by an IU student. Any guest that is not an IU student must be eighteen (18) years or older and sign in with an IU student as their host. Guests are the responsibility of the host student and sponsoring student organization. The sponsoring student organization retains the right to deny entry. A list of names of all guest attendees must be submitted to IUPD at the conclusion of the event.

Liability for the hosting organization is limited to the rented venue. IUPD and building management assumes all other responsibility including: parking, outdoor, and egress areas and non-rented spaces in proximity to the rented facility.

Dances are not open to the public

PLANNING
The sponsoring student organization must designate at least one individual as the event coordinator. The event coordinator will act as the official communication channel for venue staff, and who will attend all meetings and the event. NOTE: Event coordinator MUST be present for the entire event.

To assure proper staffing, planning and communication, these dates must be followed for event venues. If unusual circumstances exist, venue providers and IUPD will make every effort to accommodate student organizations. Requests made less than twenty-one (21) days prior to an event will not be considered.

TIMELINE

| 21 days in advance | Event location must be requested at least twenty-one (21) days in advance. Contact the campus Special Events Coordinator to confirm the date and receive a copy of the Special Events Planning Manual containing the Event Checklist. Your event is not approved until it is confirmed by the Special Events Office. Requestor, advisor/department representative, IUPD and Director of Student Life will be notified by e-mail. NOTE: Event is confirmed only when all paperwork is approved. |
| 30 minutes before event | Event Kickoff Meeting held between sponsoring organization event coordinator(s), IU Police Department officers and other security personnel (if applicable). |
**REQUIREMENTS**

- **Monitors:**
  The sponsoring organization (student club) must have four monitors at the dance. These monitors must be clearly identified and understand their role in helping to keep the event a success.

- **Time Restrictions:**
  No admittance after midnight. All guests must leave by 1:00 a.m. Venues must be cleared by 1:15 a.m.

- **Alcohol:**
  No alcohol is allowed at student events. This includes parking lots. (Section 6)

- **Room Capacity:**
  It is the responsibility of the sponsoring organization to know the room capacity and to count people as they enter to ensure that the life safety code capacity is not exceeded. If the room capacity is reached event sponsors must cease admitting guests.

- **Coat Check:**
  Coats, book bags and inanimate objects are not allowed into dances. Coat racks will be provided in the Fireside Rooms. If the sponsoring organization chooses to provide an attended coat check, they are responsible for staffing it. The sponsoring organization has the option of charging a fee.

- **Decorations:**
  It is the responsibility of the sponsoring organization to clean up decorations after their event. Any clean up or damage will result in a charge to the sponsoring organization.

**SAFETY**

Assuring safe events is a shared responsibility between the sponsoring organization, facility management and IU Police Department. This commitment to shared governance includes decisions regarding conflict management. However, immediate or final decisions, particularly in cases of crises will be made by IUPD and/or facility staff. All IU and facility-specific policies must be followed (i.e., keeping fire lanes clear of vehicles; no alcohol allowed in facilities).

- **IU Police Department:**
  IU Police Department is required to approve all security for dances. A minimum of two (2) IU Police Officers are required for events with an expected attendance of up to 300 persons. An additional one (1) IU Police Officer is required for each 100 persons beyond 300. The role of IU Police Officers is one of law enforcement and emergency first-response only and will not include door supervision or admittance decisions.

- **Sponsoring Organization:**
  A minimum of four (4) volunteers, determined by the sponsoring organization and identified in a predetermined manner, must attend the event kickoff meeting. Volunteers are responsible for working with, and responding to, facility staff and IU Police Officers to manage the entire event, and for taking responsibility on behalf of the sponsoring organization for event admittance decisions. The sponsoring organization is responsible for clearing the facility and surrounding area of guests within 15 minutes of the event end time, but no later than 1:15 a.m., and may ask for IU Police Officers for support as necessary. If shift changes are needed, new volunteers must introduce themselves to the facility staff and IU Police Officers. The event coordinator must train additional volunteer staff on their responsibilities as discussed in the event kickoff meeting.

To quickly end disturbances, lights may be immediately turned on and music stopped to assist those managing the event. Depending on the severity of the disturbance, and the potential for other disturbances, the event may be ended. IUPD has final authority on the ending of a dance. Depending on the severity of the disturbance, future events by the sponsoring organization may be canceled after consultation with at minimum the Campus Events Committee AND Associate Vice Chancellor for Student Services.
SECTION 20
SUPPORT SERVICES

GENERAL GUIDELINES FOR EVENTS SPONSORED BY A CAMPUS DEPARTMENT OR CLUB

- The Special Events Office takes room reservations and setup requests (tables, chairs, podiums, easels, etc.) and submits work orders.

- Support Services requires seventy-two (72) hours (3 working days) notice for any room setup requests during normal business hours (7:00 a.m. – 3:30 p.m., Monday – Friday). Room setup requests falling outside normal business hours, or of a nonstandard configuration, must be submitted at least seven (7) working days prior to the event or the request may be denied.

- Events requiring setup outside of normal business hours (before 7:00 a.m. and after 3:30 p.m.) must receive prior approval from the Support Services supervisor or designee and may require a fee to cover associated costs.

- Nonstandard setups should be coordinated with the Special Events Office prior to approval and may require an additional fee to cover associated costs.

- All setups must comply with fire code room capacity and egress requirements. All events must meet the Americans with Disabilities Act (ADA) accessibility guidelines.

  *It is a violation of Fire Code 1004.7 to add chairs or to stand in any room with fixed seating. Doing so endangers attendees and puts your event at risk of being cancelled immediately without being rescheduled.*

- Support Services uses its equipment for setups and is not responsible for setting up, resetting, moving or securing items/equipment belonging to other organizations. Support Services does not mix rented equipment with university furnishings such as tables and chairs or pieces of stage. When extra tables and chairs are needed by internal groups, every attempt should be made to help the office on campus with their needs. When rental equipment is used, the rental contract must include a setup/tear-down agreement using the vendor’s staff.

- Facilities staff handles setups on the gym floor of the Student Activities Center.

- **Rental Companies:** Outside rentals must be approved in writing at least one week prior to delivery by the Special Events Office. Name of the rental company, date and time of delivery and pick-up, and name of person authorized to sign must be provided.

GENERAL GUIDELINES FOR EXTERNAL GROUPS

- Campus support services will be used unless otherwise agreed upon. All provisions outlined above apply unless addressed separately in this section.

- Custodial and setup fees will be added according to the Facilities Management Event Charges. (Appendix I).

- When scheduling an event outside normal business hours (7:00 a.m. – 3:30 p.m. Monday through Friday) or when an event requires a special setup, the equipment request must be placed at least two (2) weeks prior to intended use.

- It is the responsibility of the external group to contract for rental equipment.
SECTION 21
VIDEO RECORDING AND PHOTOGRAPHY ON CAMPUS

This section clarifies what is allowed on the Indiana University South Bend campus and its properties.

Definitions include:
Campus Image: A still or moving image that can be readily identified by the public as IU South Bend property such as architecture, landmarks, signage, the presence of prominent individuals, logo clothing or athletic uniforms.
Filming: Capturing moving or still images of IU South Bend property by any means on any media now known, or that may be invented in the future. This includes, but is not limited to, film, videotape, digital disk or any electronic transmission to another medium or to the Internet.
Photography: Capturing still images onto any compatible medium, or posting to the Internet, by any means or devices now known or that may be invented in the future. This includes, but is not limited to, film cameras, digital cameras, electronic devices such as personal computers, mobile phones or personal digital assistants.

General Guidelines:
Noncommercial filming and photography is permitted on IU South Bend property, provided that such activity does not interfere with the educational, research and normal program functions or scheduled events of the university, does not pose a security or safety risk to the University community, and does not violate individuals reasonable expectations of privacy.

Generally, filming on IU South Bend property requires prior approval. To request approval, the form at Appendix E should be completed and submitted to the Special Events Office. The approval process helps keep everyone safe, the university running smoothly, and avoids situations that could create legal problems or harm the reputation of the campus.

Under certain circumstances prior approval will not be required. Those circumstances are limited to the following:
• Incidental, unobtrusive noncommercial filming or photography by visitors or tourists to the campus. Any such filming or photography may not be used for commercial purposes at any time without the express written permission of the Office of Communications and Marketing.
• Incidental filming or photography by IU South Bend campus faculty or staff creating work to be used for non-commercial, educational or administrative purposes. It must be done unobtrusively and without interruption to campus programs, classes or activities, and not require any special campus services (security, traffic control, etc.).
• Students are free to record video/film assignments on campus without prior approval if it is done as part of a class project. However, the instructor must make it clear to students that the project must adhere to these guidelines.

Regardless of whether prior approval is required or not, all filming on campus should adhere to the following principles and restrictions:
• The use or re-use of the filming or photography output must be consistent with the interests of the policies of Indiana University.
• Providing Notice: You must use reasonable methods to inform individuals in the area that filming is taking place. For example, a verbal announcement would suffice for a small setting. For a larger setting, a notice posted at the perimeter of the filmed area is acceptable. The purpose of the notice is to provide individuals who do not wish to be photographed, recorded, or appear in the film the opportunity to leave the area of to pass by without being filmed.
• Compliance with University Policies: Any use of electronic recording/streaming devices such as webcams, netcams, video or audio recorders, etc. must comply with existing University policies and practices, including, but not limited to the University Video Surveillance Policy PS-02, the University Sexual Harassment Policy, the Student Code of Conduct, University Academic Policies, the IUSB Academic Handbook, and other applicable policies and laws. See new policy on Unmanned Aircraft (Drones) http://policies.iu.edu/policies/categories/administration-operations/public-safety-institutional-assurance/PS-05.shtml

Filming may not put the safety of people at risk; put university property at risk; interfere with the normal operation of the university, interfere with the rights of others on campus, including their reasonable expectations of privacy restrict pedestrian or vehicle traffic on or around campus, or reflect negatively on the image of mission of the university.

HOSPITALITY POLICY
AND SALES TAX
FREQUENTLY ASKED QUESTIONS

What is hospitality? Hospitality is food, meals, drinks (nonalcoholic), snacks, buffets, catered meals, meals at a restaurant, all of which must serve a bona fide university purpose.

Who can get hospitality? Allowable hospitality expenses have been divided into three general categories.
- Meals or refreshments served during off-campus business meetings
- Meals for prospective employees, visitors, guests or donors i.e., search and screen activities
- University receptions, i.e., functions for which the primary purpose is the attendance and benefit of students or potential students

When do I request hospitality? Requests for on-campus events must be made fourteen (14) days in advance of the event. If you have an off-campus dinner or meeting, the request must be in Accounting Services no later than twenty-four (24) hours after the event so it can be billed in a timely manner.

How do I request hospitality? The event host or organizer submits a request to their account manager on an approved Hospitality Request Form. If the account manager authorizes the event, they sign the form and submit it to Accounting Services for review.

Why do I have to request hospitality in advance? The Hospitality Request Form provides information to Accounting Services about the event: you plan to host an event, who will attend, who authorized it, the purpose of the event, where and when the event will be held, and it also describes how you intend to pay for it. Submitting your Hospitality Request Form on time allows the campus Fiscal Officer time to review the event for compliance with IU and IU South Bend policies on events. Often, an event cannot be approved as submitted, but the Fiscal Officer will offer suggestions on how to modify the event to meet campus policy.

I was just notified I didn’t submit a Hospitality Request Form for my event. Do I still have to submit one? Yes. All events must be documented by a Hospitality Request Form if the event is paid for with IU or IU Foundation funds. However, since your form is late, it requires the additional approval of your department’s Dean or Director, along with an Exception to Hospitality Policy form.

What happens if I just don’t submit the Hospitality Request Form? If you don’t submit the request in a timely manner, you run the risk of having funding for your event denied.

What is a Request for Exception to Hospitality Policy? Any time an event is not documented as required by IU and IU South Bend policy, it requires a statement of justification from the department Dean or Director. This confirms that the Dean or Director understands the event did not obtain all mandatory approvals before it occurred.

Can campus hospitality be used to purchase alcoholic beverages? Alcohol cannot be purchased with General Funds. Any alcohol purchase must be paid for separately from donor funds held at the IU Foundation. See Section 6 regarding permission needed to serve alcohol.

How do I pay for hospitality? There are three basic sources of funding for hospitality expenses. The first source is a campus account (General Funds – either your account or the Campus Hospitality account). The second source is the IU Foundation. If no students are in attendance, you MUST use IU Foundation funding. Finally, you can always pay for it yourself with cash or check if it does not quality for any other hospitality funding.

Does it matter how I pay for hospitality? It makes no difference if the purchase is made via purchase order, direct billing, cash or personal credit card for reimbursement. If you are buying meals or refreshments with university or IU Foundation funds, you must get hospitality approval by submitting the form. Please remember that a detailed receipt must be obtained for any meal in addition to any charge card receipts. In addition, you should write the names of all participants on the receipt. If you are dealing with a very large group, note the group on the receipt and attach a list of names to the reimbursement form.
Why does sales tax appear on my order or invoices? I thought IU was tax-exempt.

- A transaction is only tax exempt when the transaction complies with IU's tax-exempt purposes, which are education and research.
- An event must fall under some very specific rules in order to be tax-exempt. Generally, the event must be for the direct benefit of a students or group of students to qualify. For example, advisory boards, sponsorship meetings, departmental meetings, staff seminars, staff orientation, consortium meetings, search and screen events, teacher development classes, programs for parents, accreditation activities, faculty forum, round tables, etc., are all subject to sales tax.
- Additional examples may apply. Contact Accounting Services for details.

I represent a not-for-profit entity. Why were we charged sales tax? If you believe you should not be taxed, you may submit a Form ST-105, Indiana Department of Revenue General Sales Tax Exemption Certificate, for our review. We compare the tax exempt purpose of your organization and the nature of your event to Sales Tax Information Bulletin #10 to determine if the event qualifies for exemption. In most cases, meals and space rentals are not exempt from Indiana sales tax.

Can I use my Procurement Card (P-Card) to pay for hospitality? No, you cannot use an IU Procurement Card; P-cards are tied to General Fund accounts.

Does each event require its own hospitality approval? If you have a speaker in and they are dining with one group of students at lunch and another at dinner, you need to request two (2) hospitality approvals. If you are hosting meals for search and screen activities, each meal requires a separate hospitality approval.

What are examples of times when a Hospitality Request Form is required?

- Any event that includes students, such as a speaker presentation or receptions and the host wants to serve snacks and beverages for the class or other group of students, the visitor, and faculty/staff in attendance. The key element in hospitality is student involvement.
- Open event inviting students to join a club and refreshments are served.
- Professor invites students and a guest to lunch or dinner for the purpose of discussing internships.
- Students are hosted by a professor or director for a welcome back event, meal associated with a class, recruiting event etc. (For the purposes of hospitality, students could be prospective students as well as enrolled students).
- Search and screen activities for prospective faculty or staff candidates.
- Additional examples may apply. Contact Accounting Services for details.

What are examples of times when a Hospitality Request Form is not needed?

- If you are taking up a collection for department snacks there is no need for a hospitality approval. You only need hospitality approval when spending IU or IU Foundation Funds.
- When you are taking your staff out to lunch, and will pay for it with your own personal funds, you don’t need hospitality approval.
- Additional examples may apply. Contact Accounting Services for details.

What examples of unallowable uses of Hospitality? Hospitality is not allowed for holiday luncheons or parties, gifts, staff birthdays, Administrative Professionals Day, employee meals or snacks, on-campus department or staff meetings, personal memberships in social organizations, and flowers (unless used for an allowable event). It is also not allowed for alcohol, charitable donations, or IU Foundation fundraising events. Additional examples may apply. Contact Accounting Services for details.

Are Fund accounts (example: 23 accounts) exempt from the IU Hospitality Policy?

- No on-campus funds are exempt from review under the policy. Please submit a hospitality form for events funded by any campus or IU Foundation accounts, including 23—accounts.
- Accounts funded by external sales are allowed to incur promotional Hospitality expenses as necessary and appropriate for the revenue generating activity of that account. Check with Accounting Services to make sure your promotional expense would qualify.
- Accounts funded by Student Activities Fees are allowed to incur approved student activity hospitality expenses.
- Additional examples may apply. Contact Accounting Services for details.
**When is hospitality approval a gray area?** If a student or students are included in an event but they are in a distinct minority, hospitality may or may not be allowed. In these situations, it is better to fill out the *Hospitality Request Form* and have an authorized University Fiscal Officer make the call. They will look at both the purpose of the event and the ratio of students to nonstudents in determining whether an approval can be given.

**Are hospitality expenses subject to mandatory reporting?** The Hospitality Policy doesn't apply to expenses that are:
- Subject to mandatory reporting under the *Honest Leadership and Open Government Act of 2007 (HLOGA)* or
- Official business of the Director of Federal Relations. HLOGA covered expenses must be approved ahead of time by the IU Office of Federal Relations. Failure to do so may result in nonpayment of such expenses.

The *Hospitality Request Form* can be found at:

Any department or organization affiliated in any way with Indiana University or education in general, who are not charging attendees for the event, may use computer classroom labs at no charge.

However, there will be a charge of $10.00 per hour to have a consultant present during the session for opening, closing, and cleaning up the lab, reporting and/or handling hardware or connection problems outside of normal weekday (8:00 a.m. – 5:00 p.m.) business operations.

If the requester is not affiliated with IU or education, a fee of $350.00 per day or $70.00 per hour will be charged for use of the room, plus a $10.00 per hour fee for a consultant who must be present for the session. Consultant requirement may be waived if it is during normal weekday hours (8:00 a.m. - 5:00 p.m.) and if UITS and requester agree that it is not necessary.

Labs are available for this use only when not scheduled for regular credit/noncredit classes, start-up sessions, UITS training seminars, or normal lab open hours.

The Special Events Coordinator will be the contact person for external organizations requesting use of the labs. The coordinator is also responsible for the paperwork, guest account creation, and coordination with the manager of computer labs for scheduling lab time and a consultant.
