      i. The meeting minutes were approved from November 14th.

V. Voice of Constituents
   a. Titan Productions
      i. Adam Grabowski
         1. This is a sponsorship request for a program. This event is to welcome back students with a little comedy. Adam brings humor to campus with a variety of different comedy bits ranging from Disney to social media. Fun, friendly, and witty he has everyone laughing in his or her seats. The purpose of this event is to build relationships, build community, gives students a sense of school pride, and makes a holistic college experience. The total cost of the event is $2,130.

         ii. Spring Dance
            1. This is a sponsorship request for a program. This program is a fun and festively themed dance for students to come out and get
down after midterms in order to relieve stress and have a good
time. A great opportunity to create great memories on campus.
The purpose of this event is to build relationships, build
community, gives students a sense of school pride, and makes a
holistic college experience. The total cost of the event is $1,000.

iii. Daniel Martin

1. This is a sponsorship request for a program. This program is to
have Daniel Martin come to campus. Daniel Martin was Titan
Productions’” most popular choice from the promotional video, so
in response they are bringing him here to our campus. An insane
magic, escapes, and sarcastic improv. This is what the people ask
for. The purpose of this event is to build relationships, build
community, gives students a sense of school pride, and makes a
holistic college experience. The total cost of the event is $2,510.

iv. Movie Night

1. This is a sponsorship request for a program. This program is for a
movie night on campus. Movie Nights are a great way to keep
students coming back/on campus over the weekend. With our
new movie screen and projector it adds a feeling of a drive in
theater, which attracts students to come out and enjoy a fun
movie experience outside of the traditional theater setting. The
purpose of this event is to build relationships, build community,
gives students a sense of school pride, and makes a holistic
college experience. The total cost of the event is $650.

v. Open Mic Night

1. This is a sponsorship request for a program. This program is for an
open mic night. It is a very cost effective program that supports
creativity and the arts. Open Mic Nights are a traditional event
that students of all calibers enjoy watching and even participating
in. The purpose of this event is to build relationships, build
community, gives students a sense of school pride, and makes a
holistic college experience. The total cost of the event is $150.

vi. Relationships

1. This is a sponsorship request for a program. This program is about relationships. College is the perfect time to figure out relationships, but so many students have unanswered questions. By working with our faculty and staff here, we can gather a group of experts on the subject and work through in an interactive discussion with students to have a better understanding of relationships. The purpose of this event is to build relationships, build community, gives students a sense of school pride, and makes a holistic college experience. The total cost of the event is $350.

vii. River Fest

1. This is a sponsorship request for a program. This program is an annual celebration of the end of the semester. There's live music, fun and games, food, and more. The purpose of this event is to build community between housing and campus, build relationships, build community, gives students a sense of school pride, and makes a holistic college experience. The total cost of the event is $9600.

viii. Text Service

1. This is a sponsorship request for a program and marketing. This program and marketing is for text service. On a campus where our bulletin boards are plastered and our students don't acknowledge them. Where students pretend to be on their phones texting or taking a phone call while passing by tabling. We need new ways of marketing. "Your Marketing Sucks" has created a modern day texting application that runs mass text, poll texting, text to win, and more for an annual fee. Depending on the texting package, we could market a text to all students signed up and reach even more of the student body. The purpose of this event is to build
relationships, build community, gives students a sense of school pride, makes a holistic college experience, and improving communication on campus. The total cost of the event is $1500.

ix. Trivia Night

1. This is a sponsorship request for a program. This program is a trivia night. Trivia Night, a very popular event for clubs and organizations to come out and work together as a team in hopes of winning some prize money for their group. In hopes of bringing more students out to trivia night, we have reworked some of the details of the event, which we would implement in the spring semester. Including more interactive elements and more unique advertisement. The purpose of this event is to build relationships, build community, gives students a sense of school pride, makes a holistic college experience, improving communication on campus, and supporting clubs and organizations. The total cost of the event is $650.
