July 1, 2016

Dear Campus Colleagues,

I am pleased to present the 2016-17 Special Events Manual for Indiana University South Bend. This document is the result of the hard work of Special Events Coordinator Maureen Muldoon and the Campus Events Committee. The handbook outlines specific guidelines and policies required for scheduling and presenting a high quality event on campus. It is extremely important that these procedures are followed. This manual includes legal issues, safety guidelines, and other instructions for event planning. I ask you to pay special attention to the updates for Programs Involving Children (PIC) and Campus Emergency Procedure Guidelines. IU South Bend must be diligent in understanding and following these procedures to keep the campus safe for all.

Special events are a wonderful opportunity to showcase the facilities, faculty and students at IU South Bend. The Special Events Office provides a one-stop event planning service for both on-campus and community organizations. Please take advantage of the professionalism and expertise that Maureen provides to have a successful event.

If you have questions about an event or the manual, please contact Maureen at (574) 520-5111 or e-mail her at mmuldoon@iusb.edu. Thank you.

Sincerely,

Terry L. Allison
Chancellor

EQUAL OPPORTUNITY/AFFIRMATIVE ACTION

Indiana University South Bend is committed to the achievement of equal opportunity within the University and throughout American society as a whole. IU South Bend will recruit, hire, promote, educate, and provide services to persons based upon their individual qualifications. Indiana University prohibits discrimination based on arbitrary considerations of such characteristics as age, color, disability, ethnicity, gender, gender identity, marital status, national origin, race, religion, sexual orientation, or veteran status.

Indiana University shall take affirmative action, positive and extraordinary, to overcome the discriminatory effects of traditional policies and procedures with regard to the disabled, minorities, women, and veterans.
SECTION 1
HOW TO PLAN CAMPUS EVENTS

Many events on the IU South Bend campus are held annually. Contact the Special Events Office as soon as possible to confirm a date for the following year.

**Determine your funding source(s)**
Where will funding come from to pay for catering, floral arrangements and/or decorations, and honorariums, etc.

**Contact the Special Events Office**
The Special Events Office is designed to collaborate with other on-campus departments to ensure events are of the highest quality. This office will facilitate the remaining steps.

**Estimate Attendance**
You will be asked to consider the estimated attendance at your event in relation to the room you request. Each room has a maximum occupancy capacity that cannot be exceeded. **You are encouraged to use tickets or check off preregistered guests at the door so you do not exceed room capacity.** It is a violation of Fire Code 1004.7 to add chairs or to stand in any room with fixed seating. Doing so endangers attendees and puts your event at risk of being cancelled immediately without being rescheduled.

**Consider Your Catering Needs**
What type of meal would you like to serve? What type of setup would you like to create? Sodexo should be involved in your initial planning to suggest catering for your event. **Sodexo has an exclusive contract to provide all catering and food and beverage service on campus. Homemade food is not allowed at events on- or off-campus. Food or beverage from another caterer, restaurant or grocery store is not allowed unless specifically exempted by the Sodexo General Manager.**

**University Information Technical Services (UITS)/Media Services**
The Special Events Office will communicate your audiovisual and/or technology needs to the Departments of UITS/Media Services. Keep in mind these requests must be made at least four (4) weeks prior to the event.

**Invitations**
Invitation lists are generated by the sponsoring department. Invitations to public events can be designed for the sponsoring department through the Office of Communications and Marketing (OCM). Production requests must be submitted in a timely fashion and the customer pays for all printing costs. OCM will review all invitations prior to printing to maintain a level of quality on the campus.

**Program**
Selecting those who participate on your program and clearly recognizing their roles adds to the success of your event. Programs for public events can be designed for the sponsoring department by the Office of Communications and Marketing (OCM). Production requests must be submitted in a timely fashion. Please use the online project request form at marcom.iusb.edu. The customer pays all printing costs. OCM will review all programs prior to printing to maintain a high level of quality on the campus.

**Use of Logo**
Any material using the IU South Bend logo must be approved by the Office of Communications and Marketing. Do not use “IUSB” in your material. Use “IU South Bend” or “Indiana University South Bend”.

**Promotion of Your Event**
The Office of Communications and Marketing (OCM) provides promotional support for significant IU South Bend events. Press releases and the use of the IU South Bend logo must be approved by OCM. The campus website, Daily Titan, and other distribution channels are also available for promotion of your event through OCM.

**Filming/Videotaping/Photography**
See Section 21 and Appendix E for information on videotaping/filming/photography on campus.

**Honorariums and Payments**
Contact Purchasing for assistance at least four (4) weeks in prior to your event.

If the event is during business hours, it is mandatory that the area be cleared of food, beverages, containers and trash immediately following the event. If the event is after business hours, the area must be cleared the following day. - Illegal events or activities.

- IU South Bend reserves the right to restrict and/or refuse use of its facilities to a non-university group.

- Events or sales that advance the personal or financial benefit of any individual.
SECTION 4  
SCHEDULING A UNIVERSITY-SPONSORED EVENT

A university-sponsored event is one which has direct educational value for students, faculty and/or staff. It is promoted by a campus department that takes full responsibility for the success of the event as part of its curriculum and mission. Attendance at the event by representatives(s) of the sponsoring department is essential to its function. The sponsoring department plays a deciding role in all phases of planning, participation, content and follow-up for the event.

- **You are a university sponsor** if your department, program, or registered student club is directly involved with the planning and execution of the event, and has a University representative (faculty/staff/club member) attend the event. The event will be considered part of the overall educational mission of the university and no rental, service, or parking fees will be applied unless events requiring campus services are outside of normal business operations. These may require a fee to cover associated costs. The Special Events Office may ask for a second approval from the vice chancellor level if the event’s relationship to the university is unclear. IU South Bend reserves the right to decline an event.

- **You are not a university sponsor** if any of the above criteria are not met. A community business or organization that wishes to meet on campus must contact the Special Events Coordinator to discuss availability and rental fees.

- University properties shall be used only in accordance with federal, state and local laws and shall not be used for the purpose of organizing or carrying out any unlawful activity.

- University facilities are provided primarily for the support of the educational functions of the university and the activities necessary for the support of these functions. University functions generally take precedence over any other activities in the use of university facilities. See Use or Rental of the Student Activities Center in Section 5.

  **IU South Bend reserves the right to change the meeting or conference room reservation depending upon university requirements.**

- **Campus Event Planning Checklist:** The Campus Event Planning Checklist (Appendix D) must be submitted to the Special Events Office by the student club or organization, sponsoring the event at least twenty-one (21) days in advance. This form must include a faculty advisor signature. The faculty advisor will be held responsible for the terms and conditions of the event. Your event is not approved until the form is processed and the requestor, advisor/department representative, IUPD and Director of Student Life (if applicable) are notified by e-mail. Departments must also submit the Campus Event Planning Checklist to the Special Events Office for event approval.

- **Copy services:** The Copy Center is located in the basement of Northside Hall (0028) and is open Monday through Friday from 8:00 a.m. to 11:30 a.m. and 1:00 p.m. to 3:00 p.m. Copy service is not available at the Elkhart Center.

- **Literature, Drives and Fundraising Tables:** IU South Bend approved groups/organizations requesting tables for literature, drives or fundraising must contact the Special Events Office for permission. Approval will be granted for two (2) weeks at a time depending upon the timeliness of the request, and the number of other requests submitted for the same time period. The Special Events Office will submit a work order for the approved request. Tables must be cleared of literature nightly, or literature will be disposed of by custodial staff. In order to maximize your contact with students and minimize facility disruption, you must remain at your table. Do not stand near doors to solicit. If an individual refuses your offer of literature, you must respect their decision to decline your information.

- **Literature table requests for the Community Building** can be forwarded to the Office of Housing and Residence Life. Staff will confirm the reservation and determine the location of the table. University groups are responsible for same day setup and takedown of all material.

  **Work orders for all campus events are to be placed through the Special Events Office to ensure coordination of space and resources.**
SECTION 5
SCHEDULING A NON-UNIVERSITY EVENT

A non-university event is one where the primary contact is not a university employee. Or, the university employee is involved in the event outside his/her assigned university function. Non-university events will be charged according to the Special Events Manual.

Subject to IU South Bend’s Use and Priority Policies, the university permits rental of its facilities and services to non-university users engaged in legal activities. Applicable rental fees will apply to all non-university sponsored events. A Room Pricing Guide is included in this manual. (Appendix I)

IU South Bend employees using the space for non-university related events will be treated as an outside user. Requests for the use of university facilities by IU South Bend employees will be evaluated based on the Special Events Manual to determine appropriate charges.

IU South Bend reserves the right to decline an event.

Contact the Special Events Office at (574) 520-5111 to check meeting space availability.

SECTION 7
AUDIOVISUAL/TECHNOLOGY SUPPORT

SCHEDULING A UNIVERSITY-SPONSORED EVENT

Prior to recording a presentation, University Information Technology Services (UITS) must have a signed release form that grants to Indiana University permission to record. This form is not necessary for anyone employed by Indiana University. (Appendix E)

Events held in the Campus Auditorium, or the Louise E. Addicott and Yatish J. Joshi Performance Hall, audiovisual equipment, setup, and staffing are provided by the Ernestine M. Raclin School of the Arts. For all other events, University Information Technical Services (UITS) will provide audiovisual staffing and equipment contingent upon availability.

Requests for audiovisual equipment for events other than scheduled academic classes are made through the Special Events Office. After making the initial request through the Special Events Office, a representative of UITS may contact the customer to confirm and/or discuss the request. The availability of equipment and staffing must be confirmed before a contract is approved and signed with the customer.

UITS will provide audiovisual staffing for routine needs during regularly scheduled work hours contingent upon the availability of staff. Telephone support is available to the Elkhart campus.

If the desired equipment is not available, the requestor must contract with an approved outside equipment rental agency.

It is the responsibility of the university sponsor to ensure that university audiovisual and technology equipment is used in accordance with laws related to the display of motion pictures and/or other copyrighted material. (Section 21)

SCHEDULING A NON-UNIVERSITY EVENT

Prior to recording a presentation, UITS must have a signed release form that grants to Indiana University permission to record. This form is not necessary for anyone employed by Indiana University. (Appendix E)

All non-university customers in need of audiovisual and technology equipment must make the initial request with the Special Events Office.

The availability of equipment and staffing must be confirmed before a contract is approved and signed with the customer.

UITS will provide audiovisual staffing for routine needs during regularly scheduled work hours contingent upon the availability of staff.

UITS must be notified at least four (4) weeks in advance for events that require a special setup. Without notice, UITS may deny services.

Non-university constituents will be assessed an equipment fee. (Appendix J) External groups will be charged for the contracted equipment if UITS is not notified of the cancellation at least twenty-four (24) hours in advance of the event.

UITS may generate a checklist for equipment rental based on information provided by the Special Events Office. The checklist must be signed by the requestor and returned to UITS for confirmation. UITS may contact the customer to confirm and/or discuss the request.

University equipment may not be used in a manner that is not in accordance with laws related to the display of motion pictures and/or other copyrighted material. (Section 18)

UITTS SERVICES SUPPORT FOR THE ELKHART CENTER

**Internal (IU) events:**
UITTS will provide basic unstaffed audiovisual (AV) support for events during normal operation hours. Evening and weekend support, and support beyond basic AV, must be arranged and will be provided subject to availability of staff and equipment.

**External Events:**
UITTS will provide AV support for events hosted by external groups subject to availability of equipment and staff. Normal AV fees and charges for external groups apply, with a four (4) hour minimum staffing charge.

*If AV equipment is desired that is beyond the scope of the UITTS inventory, UITTS can provide assistance in locating an outside vendor. All further arrangements and charges will be the responsibility of the requester.*
Sodexo has an exclusive contract to provide all catering and food and beverage service on campus.

- **Place your catering order on-line or by phone:** The catering menu and on-line form are available at www.iusb.edu/dining or you can contact Sodexo directly at (574) 520-4193. Orders must be received by Sodexo between 8:00 a.m. and 5:00 p.m. seven (7) business days prior to your event. This does not include weekends or holidays. **Catering orders placed outside this time cannot be guaranteed.**

- **Exceptions:** A one-time exemption may be granted on the rare occasion that the General Manager of Sodexo decides that an approved, outside vendor must be used. A catering exemption form must be completed and submitted to the Sodexo General Manager for approval and signature. Once the form is approved, the organizer must select which of the approved caterers will be used, and then submit the completed form to Accounting Services with the Hospitality Request Form. The organizer will follow all required procedures, including submitting a Temporary Food Service Application, and understands that failure to follow the required steps will result in refusal by the campus to pay for the event from IU or IU Foundation funds. The cost then becomes the responsibility of the organizer.

- **Final guest count:** Must be given five (5) business days (not including weekends or holidays) prior to the event. **Changes** to the number of attendees after the final count has been given will be accepted at the discretion of the General Manager of Sodexo. There may be an additional charge for events under ten (10) people. **Cancellations** must be made five (5) business days prior to your event to avoid any charges.

- **Delivery:** Customers will be asked to sign the Catering Request Form upon delivery of catering. By signing the form the customer confirms the order is complete and correct. **Catering is not allowed in the Campus Auditorium, Performance Hall, DW 1001 or EA 1011.**

- **After-hours and delivery charges:** An after-hours charge of $30.00 is charged on all caterings delivered after 5:00 p.m. A service charge of $25.00 is charged on all off-site caterings including the Elkhart Center and Natatorium.

- **Charged upon consumption:** Individually wrapped, nonperishable items and canned or bottled beverages **from a catering order** will be charged upon consumption.

SECTION 18
SHOWING MOVIES ON CAMPUS

Most movies¹ are protected by copyright law, which gives exclusive rights to the copyright owner, including public performance rights. The law also provides some exemptions. The purpose of this document is to help IU South Bend students, faculty, and staff understand the law in order to make lawful decisions when showing a movie on campus.

Any movie shown in a public place (including an auditorium or meeting room) is considered a public performance whether or not admission is charged.

The law includes some important exceptions. Section 110 (1) of the Copyright Law allows movies to be shown, without permission from the copyright owner, provided that they are shown “in the course of face-to-face teaching activities of a nonprofit educational institution, in a classroom or similar place as long as the performance is from a legal copy of the movie.” The purpose of this document is to help IU South Bend students, faculty, and staff understand the law in order to make lawful decisions when showing a movie on campus.

The law includes some important exceptions. Section 110 (1) of the Copyright Law allows movies to be shown, without permission from the copyright owner, provided that they are shown “in the course of face-to-face teaching activities of a nonprofit educational institution, in a classroom or similar place as long as the performance is from a legal copy of the movie.” Indiana University Counsel has determined that “teaching activities” are generally those conducted by or under the direct supervision of a faculty member. Any movie shown under this exemption must be directly related to the faculty member’s face-to-face teaching of the subject matter in a specific course. There may be certain other circumstances in which Section 110(1) would permit a movie to be publicly shown without permission from the copyright owner. The circumstances are narrow, however, and no such showing should occur without prior consultation with the IU Office of University Counsel.

Some movies are not protected by copyright and may be shown without restrictions. Movies that are either in the public domain (generally those published before 1923) or created by the U.S. government may also be viewed publicly without obtaining permission. Additionally, there are some copyright owners who explicitly make their work available with few restrictions. Some movies are not protected by copyright and may be shown without restrictions. Movies that are either in the public domain (generally those published before 1923) or created by the U.S. government may also be viewed publicly without obtaining permission. Additionally, there are some copyright owners who explicitly make their work available with few restrictions.

Unless mentioned above, ALL other showings of movies require permission from the copyright holder before they can be shown. It is the responsibility of the sponsoring department or organization to secure permission or pay a license fee for any public showing. Permission is usually granted only after paying a licensing fee which generally ranges from $200 - $500. Some films will cost more. If the request for performance rights is denied or not received prior to the scheduled showing, the movie cannot be shown on campus.

For more information, see the Copyright at Indiana University web page available at: http://copyright.iu.edu/

How to Secure Performance Rights

In many cases, obtaining performance rights is easy and the cost is reasonable. However, in some cases, it is difficult or impossible and/or prohibitively expensive. Therefore, any department or organization wishing to show a specific film is advised to begin the process early.

One of the easiest ways to get performance rights is to obtain a movie available from one of the companies who license movies on behalf of the film companies. (It is sometimes possible to obtain the movie locally and just pay one of these companies the licensing fee.) Some of the primary licensing companies are:

- Swank Motion Pictures (http://swank.com/)
- Criterion Motion Pictures (http://criterionpicusa.com/)
- Kino International Corporation (http://www.kino.com/)
- Milestone Film and Video (http://www.milestonefilms.com/)
- Motion Picture Licensing Corporation (http://www.mplc.com/index.php)
- New Yorker Films (http://www.newyorkerfilms.com/)

¹ This document uses the term “movies” to include motion pictures and other audiovisual works in all formats.
² For questions regarding the showing of movies in distance learning classes, please contact the Dean of Library Services at (574) 520-4448. For general information about the use of copyrighted works in distance education, please see http://copyright.iu.edu/.
The websites of these companies provide the information to request necessary rights. Because of the quantity of films IU South Bend shows, it is sometimes possible to get a discounted rate. For more information about this or for assistance in obtaining films, contact Office of Student Life at (574) 520-4587 or sblife@iusb.edu.

If a movie is not available from one of these companies, permission may sometimes be granted directly from the copyright holder. The movie’s website or the package that contains the movie will indicate the copyright holder. In most cases, this will be the movie studio.

Information on how to contact the company can usually be found on the company’s website. The copyright holder may request information regarding the name of the organization which will showing the movie, the title and format of the requested movie, where and when the movie will be shown, the anticipated size of the audience, whether or not there will be an admission charge, and contact information.

As noted above, if the copyright owner grants performance rights, it will generally be for a fee and performance rights must be received prior to the showing of the movie.

For more details about how to secure permission, see the Permissions page of the Columbia University Libraries Copyright Advisory Office at http://copyright.columbia.edu/copyright/permissions/

Please remember that whenever paying an outside vendor, as in the case of obtaining public performance rights, purchasing procedures must be followed. Contact Purchasing.

Questions? Please contact the Dean of Library Services at (574) 520-4448. When necessary, the Dean will contact University Counsel for final decisions.

This statement was approved by the University Counsel of Indiana University on June 8, 2006.
SECTION 19

SOCIAL EVENTS POLICY

Dances and late night social events occurring on the campus of IU South Bend are an important part of campus life because they offer students and other members of the campus community an opportunity to socialize and be together. These events typically take place after normal operating hours and specific procedures outlined in this policy must be followed. See Appendix B for the Event Planning Checklist.

In the tradition of shared governance, sponsoring student organizations and campus administration work closely together to plan a safe and successful event. Sponsoring organizations, their members, and their guests, are responsible for following campus policies and procedures. Campus administration is responsible for assisting student organizations to plan events that are safe and contribute to a vibrant campus life.

POLICY LIMITATIONS
This policy does not supersede other IU policies. Additional facility-specific policies and procedures may apply.

Failure to follow policies or procedures may result in cancellation of the event.

LATE NIGHT SOCIAL EVENTS AND DANCES
Dances are primarily designed for socialization among college students and members of the IU community (students, faculty, staff and alumni). Guests must be accompanied by an IU student. Any guest that is not an IU student must be eighteen (18) years or older and sign in with an IU student as their host. Guests are the responsibility of the host student and sponsoring student organization. The sponsoring student organization retains the right to deny entry. A list of names of all guest attendees must be submitted to IUPD at the conclusion of the event.

Liability for the hosting organization is limited to the rented venue. IUPD and building management assumes all other responsibility including: parking, outdoor, and egress areas and non-rented spaces in proximity to the rented facility.

Dances are not open to the public

PLANNING
The sponsoring student organization must designate at least one individual as the event coordinator. The event coordinator will act as the official communication channel for venue staff, and who will attend all meetings and the event. NOTE: Event coordinator MUST be present for the entire event.

To assure proper staffing, planning and communication, these dates must be followed for event venues. If unusual circumstances exist, venue providers and IUPD will make every effort to accommodate student organizations. Requests made less than twenty-one (21) days prior to an event will not be considered.

- **Decorations:**
  It is the responsibility of the sponsoring organization to clean up decorations after their event. Any clean up or damage will result in a charge to the sponsoring organization.

SAFETY

Assuring safe events is a shared responsibility between the sponsoring organization, facility management and IU Police Department. This commitment to shared governance includes decisions regarding conflict management. However, immediate or final decisions, particularly in cases of crises will be made by IUPD and/or facility staff. All IU and facility-specific policies must be followed (i.e., keeping fire lanes clear of vehicles; no alcohol allowed in facilities).

- **IU Police Department:**
  IU Police Department is required to approve all security for dances. An hourly rate will be charged to the sponsoring club or department. A minimum of **two (2)** IU Police Officers are required for events with an expected attendance of up to 300 persons. An additional one (1) IU Police Officer is required for each 100 persons beyond 300. To quickly end disturbances, lights may be immediately turned on and music stopped to assist those managing the event. Depending on the severity of the disturbance, and the potential for other disturbances, the event may be ended. IUPD has final authority on the ending of a dance. Depending on the severity of the disturbance, future events by the sponsoring organization may be canceled after consultation with at minimum the Campus Events Committee AND Associate Vice Chancellor for Student Services.
SECTION 20
SUPPORT SERVICES

GENERAL GUIDELINES FOR EVENTS SPONSORED BY A CAMPUS DEPARTMENT OR CLUB

- The Special Events Office takes room reservations and setup requests (tables, chairs, podiums, easels, etc.) and submits work orders.

- Support Services requires seventy-two (72) hours (3 working days) notice for any room setup requests during normal business hours (7:00 a.m. – 3:30 p.m., Monday – Friday). Room setup requests falling outside normal business hours, or of a nonstandard configuration, must be submitted at least seven (7) working days prior to the event or the request may be denied.

- Events requiring setup outside of normal business hours (before 7:00 a.m. and after 3:30 p.m.) must receive prior approval from the Support Services supervisor or designee and may require a fee to cover associated costs.

- Nonstandard setups should be coordinated with the Special Events Office prior to approval and may require an additional fee to cover associated costs.

- All setups must comply with fire code room capacity and egress requirements. All events must meet the Americans with Disabilities Act (ADA) accessibility guidelines.

   *It is a violation of Fire Code 1004.7 to add chairs or to stand in any room with fixed seating. Doing so endangers attendees and puts your event at risk of being cancelled immediately without being rescheduled.*

- Support Services uses its equipment for setups and is not responsible for setting up, resetting, moving or securing items/equipment belonging to other organizations. **Support Services does not mix rented equipment with university furnishings** such as tables and chairs or pieces of stage. When extra tables and chairs are needed by internal groups, every attempt should be made to help the office on campus with their needs. When rental equipment is used, the rental contract must include a setup/tear-down agreement using the vendor’s staff.

- Facilities staff handles setups on the gym floor of the Student Activities Center.

- **Rental Companies:** Outside rentals must be approved in writing at least one (1) week prior to delivery by the Special Events Office. Name of the rental company, date and time of delivery and pick-up, and name of person authorized to sign must be provided. A pre-delivery meeting is required.

GENERAL GUIDELINES FOR EXTERNAL GROUPS

- Campus support services will be used unless otherwise agreed upon. All provisions outlined above apply unless addressed separately in this section.

- Custodial and setup fees will be added according to the Facilities Management Event Charges. (Appendix I).

- When scheduling an event outside normal business hours (7:00 a.m. – 3:30 p.m. Monday through Friday) or when an event requires a special setup, the equipment request must be placed at least two (2) weeks prior to intended use.

- It is the responsibility of the external group to contract for rental equipment.
SECTION 21
VIDEO RECORDING AND PHOTOGRAPHY ON CAMPUS

This section clarifies what is allowed on the Indiana University South Bend campus and its properties.

Definitions include:
Campus Image: A still or moving image that can be readily identified by the public as IU South Bend property such as architecture, landmarks, signage, the presence of prominent individuals, logo clothing or athletic uniforms.
Filming: Capturing moving or still images of IU South Bend property by any means on any media now known, or that may be invented in the future. This includes, but is not limited to, film, videotape, digital disk or any electronic transmission to another medium or to the Internet.
Photography: Capturing still images onto any compatible medium, or posting to the Internet, by any means or devices now known or that may be invented in the future. This includes, but is not limited to, film cameras, digital cameras, electronic devices such as personal computers, mobile phones or personal digital assistants.

General Guidelines:
Noncommercial filming and photography is permitted on IU South Bend property, provided that such activity does not interfere with the educational, research and normal program functions or scheduled events of the university, does not pose a security or safety risk to the University community, and does not violate individuals reasonable expectations of privacy.

Generally, filming on IU South Bend property requires prior approval. To request approval, the form at Appendix E should be completed and submitted to the Special Events Office. The approval process helps keep everyone safe, the university running smoothly, and avoids situations that could create legal problems or harm the reputation of the campus.

Under certain circumstances prior approval will not be required. Those circumstances are limited to the following:

- Incidental, unobtrusive noncommercial filming or photography by visitors or tourists to the campus. Any such filming or photography may not be used for commercial purposes at any time without the express written permission of the Office of Communications and Marketing.
- Incidental filming or photography by IU South Bend campus faculty or staff creating work to be used for non-commercial, educational or administrative purposes. It must be done unobtrusively and without interruption to campus programs, classes or activities, and not require any special campus services (security, traffic, etc.).
- Students are free to record video/film assignments on campus without prior approval if it is done as part of a class project. However, the instructor must make it clear to students that the project must adhere to these guidelines.

Regardless of whether prior approval is required or not, all filming on campus should adhere to the following principles and restrictions:

- The use or re-use of the filming or photography output must be consistent with the interests of the policies of Indiana University.
- Providing Notice: You must use reasonable methods to inform individuals in the area that filming is taking place. For example, a verbal announcement would suffice for a small setting. For a larger setting, a notice posted at the perimeter of the filmed area is acceptable. The purpose of the notice is to provide individuals who do not wish to be photographed, recorded, or appear in the film the opportunity to leave the area or to pass by without being filmed.
- Compliance with University Policies: Any use of electronic recording/streaming devices such as webcams, netcams, video or audio recorders, etc. must comply with existing University policies and practices, including, but not limited to the University Video Surveillance Policy PS-02, the University Sexual Harassment Policy, the Student Code of Conduct, University Academic Policies, the IUSB Academic Handbook, and other applicable policies and laws. See new policy on Unmanned Aircraft (Drones) http://policies.iu.edu/policies/categories/administration-operations/public-safety-institutional-assurance/PS-05.shtml

Filming may not put the safety of people at risk; put University property at risk; interfere with the normal operation of the University, interfere with the rights of others on campus, including their reasonable expectations of privacy, restrict pedestrian or vehicle traffic on or around campus, or reflect negatively on the image of the mission of the University.

HOSPITALITY POLICY
AND SALES TAX
FREQUENTLY ASKED QUESTIONS

What is hospitality? Hospitality is food, meals, drinks (nonalcoholic), snacks, buffets, catered meals, meals at a restaurant, all of which must serve a bona fide university purpose.

Who can get hospitality? Allowable hospitality expenses have been divided into three general categories:
- Meals or refreshments served during off-campus business meetings
- Meals for prospective employees, visitors, guests or donors, i.e., search and screen activities
- University receptions, i.e., functions for which the primary purpose is the attendance and benefit of students or potential students

When do I request hospitality? Requests for on-campus events must be made fourteen (14) days in advance of the event. If you have an off-campus dinner or meeting, the request must be in Accounting Services no later than twenty-four (24) hours after the event so it can be billed in a timely manner.

How do I request hospitality? The event host or organizer submits a request to their account manager on an approved Hospitality Request Form. If the account manager authorizes the event, they sign the form and submit it to Accounting Services for review.

Why do I have to request hospitality in advance? The Hospitality Request Form provides information to Accounting Services about the event: you plan to host an event, who will attend, who authorized it, the purpose of the event, where and when the event will be held, and it also describes how you intend to pay for it. Submitting your Hospitality Request Form on time allows the campus Fiscal Officer time to review the event for compliance with IU and IU South Bend policies on events. Often, an event cannot be approved as submitted, but the Fiscal Officer will offer suggestions on how to modify the event to meet campus policy.

I was just notified I didn’t submit a Hospitality Request Form for my event. Do I still have to submit one? Yes. All events must be documented by a Hospitality Request Form if the event is paid for with IU or IU Foundation funds. However, since your form is late, it requires the additional approval of your department’s Dean or Director, along with an Exception to Hospitality Policy form.

What happens if I just don’t submit the Hospitality Request Form? If you don’t submit the request in a timely manner, you run the risk of having funding for your event denied.

What is a Request for Exception to Hospitality Policy? Any time an event is not documented as required by IU and IU South Bend policy, it requires a statement of justification from the department Dean or Director. This confirms that the Dean or Director understands the event did not obtain all mandatory approvals before it occurred.

Can campus hospitality be used to purchase alcoholic beverages? Alcohol cannot be purchased with General Funds. Any alcohol purchase must be paid for separately from donor funds held at the IU Foundation. See Section 6 regarding permission needed to serve alcohol.

How do I pay for hospitality? There are three basic sources of funding for hospitality expenses. The first source is a campus account (General Funds – either your account or the Campus Hospitality account). The second source is the IU Foundation. If no students are in attendance, you MUST use IU Foundation funding. Finally, you can always pay for it yourself with cash or check if it does not quality for any other hospitality funding.

Does it matter how I pay for hospitality? It makes no difference if the purchase is made via purchase order, direct billing, cash or personal credit card for reimbursement. If you are buying meals or refreshments with university or IU Foundation funds, you must get hospitality approval by submitting the form. Please remember that a detailed receipt must be obtained for any meal in addition to any charge card receipts. In addition, you should write the names of all participants on the receipt. If you are dealing with a very large group, note the group on the receipt and attach a list of names to the reimbursement form.
**Why does sales tax appear on my order or invoices? I thought IU was tax-exempt.**
- A transaction is only tax exempt when the transaction complies with IU’s tax-exempt purposes, which are education and research.
- An event must fall under some very specific rules in order to be tax-exempt. Generally, the event must be for the direct benefit of a student or group of students to qualify. For example, advisory boards, sponsorship meetings, departmental meetings, staff seminars, staff orientation, consortium meetings, search and screen events, teacher development classes, programs for parents, accreditation activities, faculty forum, round tables, etc., are all subject to sales tax.
- Additional examples may apply. Contact Accounting Services for details.

**I represent a not-for-profit entity. Why were we charged sales tax?**
If you believe you should not be taxed, you may submit a Form ST-105, Indiana Department of Revenue General Sales Tax Exemption Certificate, for our review. We compare the tax exempt purpose of your organization and the nature of your event to Sales Tax Information Bulletin #10 to determine if the event qualifies for exemption. In most cases, meals and space rentals are not exempt from Indiana sales tax.

**Can I use my Procurement Card (P-Card) to pay for hospitality?**
No, you cannot use an IU Procurement Card; P-cards are tied to General Fund accounts.

**Does each event require its own hospitality approval?**
If you have a speaker in and they are dining with one group of students at lunch and another at dinner, you need to request two (2) hospitality approvals. If you are hosting meals for search and screen activities, each meal requires a separate hospitality approval.

**What are examples of times when a Hospitality Request Form is required?**
- Any event that includes students, such as a speaker presentation or receptions and the host wants to serve snacks and beverages for the class or other group of students, the visitor, and faculty/staff in attendance. The key element in hospitality is student involvement.
- Open event inviting students to join a club and refreshments are served.
- Professor invites students and a guest to lunch or dinner for the purpose of discussing internships.
- Students are hosted by a professor or director for a welcome back event, meal associated with a class, recruiting event etc. (For the purposes of hospitality, students could be prospective students as well as enrolled students.)
- Search and screen activities for prospective faculty or staff candidates.
- Additional examples may apply. Contact Accounting Services for details.

**What are examples of times when a Hospitality Request Form is not needed?**
- If you are taking up a collection for department snacks there is no need for a hospitality approval. You only need hospitality approval when spending IU or IU Foundation Funds.
- When you are taking your staff out to lunch, and will pay for it with your own personal funds, you don’t need hospitality approval.
- Additional examples may apply. Contact Accounting Services for details.

**What examples of unallowable uses of Hospitality?**
Hospitality is not allowed for holiday luncheons or parties, gifts, staff birthdays, Administrative Professionals Day, employee meals or snacks, on-campus department or staff meetings, personal memberships in social organizations, and flowers (unless used for an allowable event). It is also not allowed for alcohol, charitable donations, or IU Foundation fundraising events. Additional examples may apply. Contact Accounting Services for details.

**Are Fund accounts (example: 23 accounts) exempt from the IU Hospitality Policy?**
- No on-campus funds are exempt from review under the policy. Please submit a hospitality form for events funded by any campus or IU Foundation accounts, including 23—accounts.
- Accounts funded by external sales are allowed to incur promotional Hospitality expenses as necessary and appropriate for the revenue generating activity of that account. Check with Accounting Services to make sure your promotional expense would qualify.
- Accounts funded by Student Activity Fees are allowed to incur approved student activity hospitality expenses.
- Additional examples may apply. Contact Accounting Services for details.
**When is hospitality approval a gray area?** If a student or students are included in an event but they are in a distinct minority, hospitality may or may not be allowed. In these situations, it is better to fill out the *Hospitality Request Form* and have an authorized University Fiscal Officer make the call. They will look at both the purpose of the event and the ratio of students to nonstudents in determining whether an approval can be given.

**Are hospitality expenses subject to mandatory reporting?** The Hospitality Policy doesn’t apply to expenses that are:

- Subject to mandatory reporting under the *Honest Leadership and Open Government Act of 2007 (HLOGA)* or
- Official business of the Director of Federal Relations. HLOGA covered expenses must be approved ahead of time by the IU Office of Federal Relations. Failure to do so may result in nonpayment of such expenses.

The *Hospitality Request Form* can be found at: https://www.iusb.edu/fiscalaff/docs/Hospitality%20Form%20IUSB.pdf
