TRANSFERRING TO INDIANA UNIVERSITY SOUTH BEND (IUSB) FROM ANOTHER COLLEGE OR UNIVERSITY

Federal financial aid, including loans, does not automatically transfer from one campus or university to another.

If you are transferring in the middle of the academic year (i.e., for the spring semester) AND you borrowed a loan for the 2021-2022 academic year through your previous college, make sure that college cancels the spring disbursement. You must inform the holder of your loan (servicer) that you are changing schools. If you need assistance locating your lender's information, please visit the National Student Loan Data System, studentaid.gov. You will need your Federal Student Aid (FSA) ID and password to access your information.

- If you do not have an FSA ID, request one here: studentaid.gov.
- If IU South Bend is not listed on your 2021-2022 FAFSA, you will need to add our Title IV school code (001816). Go to studentaid.gov and select the Reviewing and correcting FAFSA link in the **Apply for Aid** drop down menu.
- You must be formally admitted to a degree-granting program at IU South Bend. **High school students taking college courses (C.C.H.S.), non-degree, and guest students** are not eligible to receive financial aid. Contact the IU South Bend Office of Admissions at (574) 520-4839, Administration Building Rm 140, if you are unsure of your admission status.
