The U.S. Department of Education has determined a review of your college enrollment history prior to awarding additional Federal Title IV funds is required. Your record indicates that you received Federal Pell Grant and/or Student Loan funds at one or more institutions during the past four award years (2017/18; 2018/19; 2019/20; 2020/21). Upon review of the academic transcripts submitted, it was determined that you did not earn full academic credit at one or more of the previously attended institutions and this has resulted in a denial of any additional Federal Title IV funds.

In order to appeal this decision, you must provide a typed statement explaining your failure to earn full academic credit. Refer only to situations that occurred during those academic terms in which you failed to earn full credit. Within your statement, include the name of the school and academic period in question. *Include third-party documentation supporting your statement.* Typed explanations and supporting documentation must be attached and submitted with this form.

If the appeal for UEH is approved, and for any reason, you fail to meet the satisfactory academic progress “SAP” standards, you will continue to be ineligible for aid unless a *SAP Appeal* is approved. To view SAP requirements and the appeal process, visit financialaid.iusb.edu and click on the **Satisfactory Academic Progress** link.
