Chulkov D

This is a 100% online class taught by IU Kokomo. No on-campus class meetings are required. A distance education fee may apply; check your campus bursar website for more information. If IU e-Texts are not used for this class, textbooks and other materials are available through your home campus bookstore. This class is offered as part of a collaborative academic program. Please consult with your advisor to ensure this class will count toward your degree requirement

Prerequisite: MATH-M 117 or MATH-M 105 or higher.

ECON-E 201 and ECON-E 202 may be taken in either sequence.

This class is part of the "Transfer Indiana" (transferIN) initiative. For additional information, link to www.transferIN.net.

ARR

This class meets during the first eight weeks of the semester.

Zimmerman M

This is a 100% online class taught by IU Southeast. No on-campus class meetings are required. A distance education fee will apply; check your campus bursar website for more information. If IU e-Texts are not used for this class, textbooks and other materials are available at your home campus bookstore.

Lecture and Lab Combined.

34737

Important!: Many graduate and professional healthcare programs will only accept a face-to-face anatomy class in fulfillment of requirements. Students in, or considering, pre-nursing. pre-pharmacy, pre-physical therapy or pre-medical school or similar allied health preparatory programs should check with their advisor before enrolling in a 100% online anatomy class.

This course uses an eText for the lecture and lab. Both eTexts are available through the course's learning management system (Canvas). No additional textbooks are necessary.

Exams are proctored online using a product such as Examity. A desktop or laptop with a microphone, webcam, and an internet speed of at least of 3 MBPS is required.

Prereq/Coreq is CHEM-C 341

This course consists of two sections: an asynchronous online "prelab" section run through Canvas and an in-person "lab" section where students conduct

Col of Liberal Arts & Sciences

experiments. Students must register for both sections.

This Hybrid-Traditional class provides the lecture content using Asynchronous online instructions via Canvas. Class meeting details will be provided by

the instructor. The laboratory component is in-person.
