Division of Student Affairs & Diversity

2023

### **Welcome to our Titan Community!**

Please find the 2023-24 Indiana University South Bend Community Resource Guide (4<sup>th</sup> Edition). Over 140 national, state, and local resources are available, identifying meaningful supports that will connect you to services for: Emergency and Crisis Lines, Advocacy and Inclusion, Community Health and Wellness, Food and Housing Insecurity, and IU South Bend Campus Supports.

It takes a caring and compassionate team to identify resources, research, and vet contact information, and publish a comprehensive community resource guide. We would like to thank our IU South Bend faculty and staff, division of student affairs & diversity, student government association, and titan success center who contributed to this process.

Wishing you all a happy, healthy, and successful year.

In Hoosier Spirit and Titan Pride, please remember – It's Okay to Ask for Help
